4 . . . DEDICATION

Dedication

We, the Class of 1961, dedicate this annual to one who has guided many students through the decisive years of their high school careers.

For some of us she has been both a counselor and a teacher --- but to all of us, she has been a friendly smile, a new fashion, a helping hand, and one of the most cherished and respected persons on the West Bend High School staff. As an active leader in the American Field Service, she also devotes much of her time to this worthwhile program.

For these and her many other contributions and the time and service she has devoted to enrich our high school life, we proudly present this 1961 Bend in honor of Miss Marita Yahr.

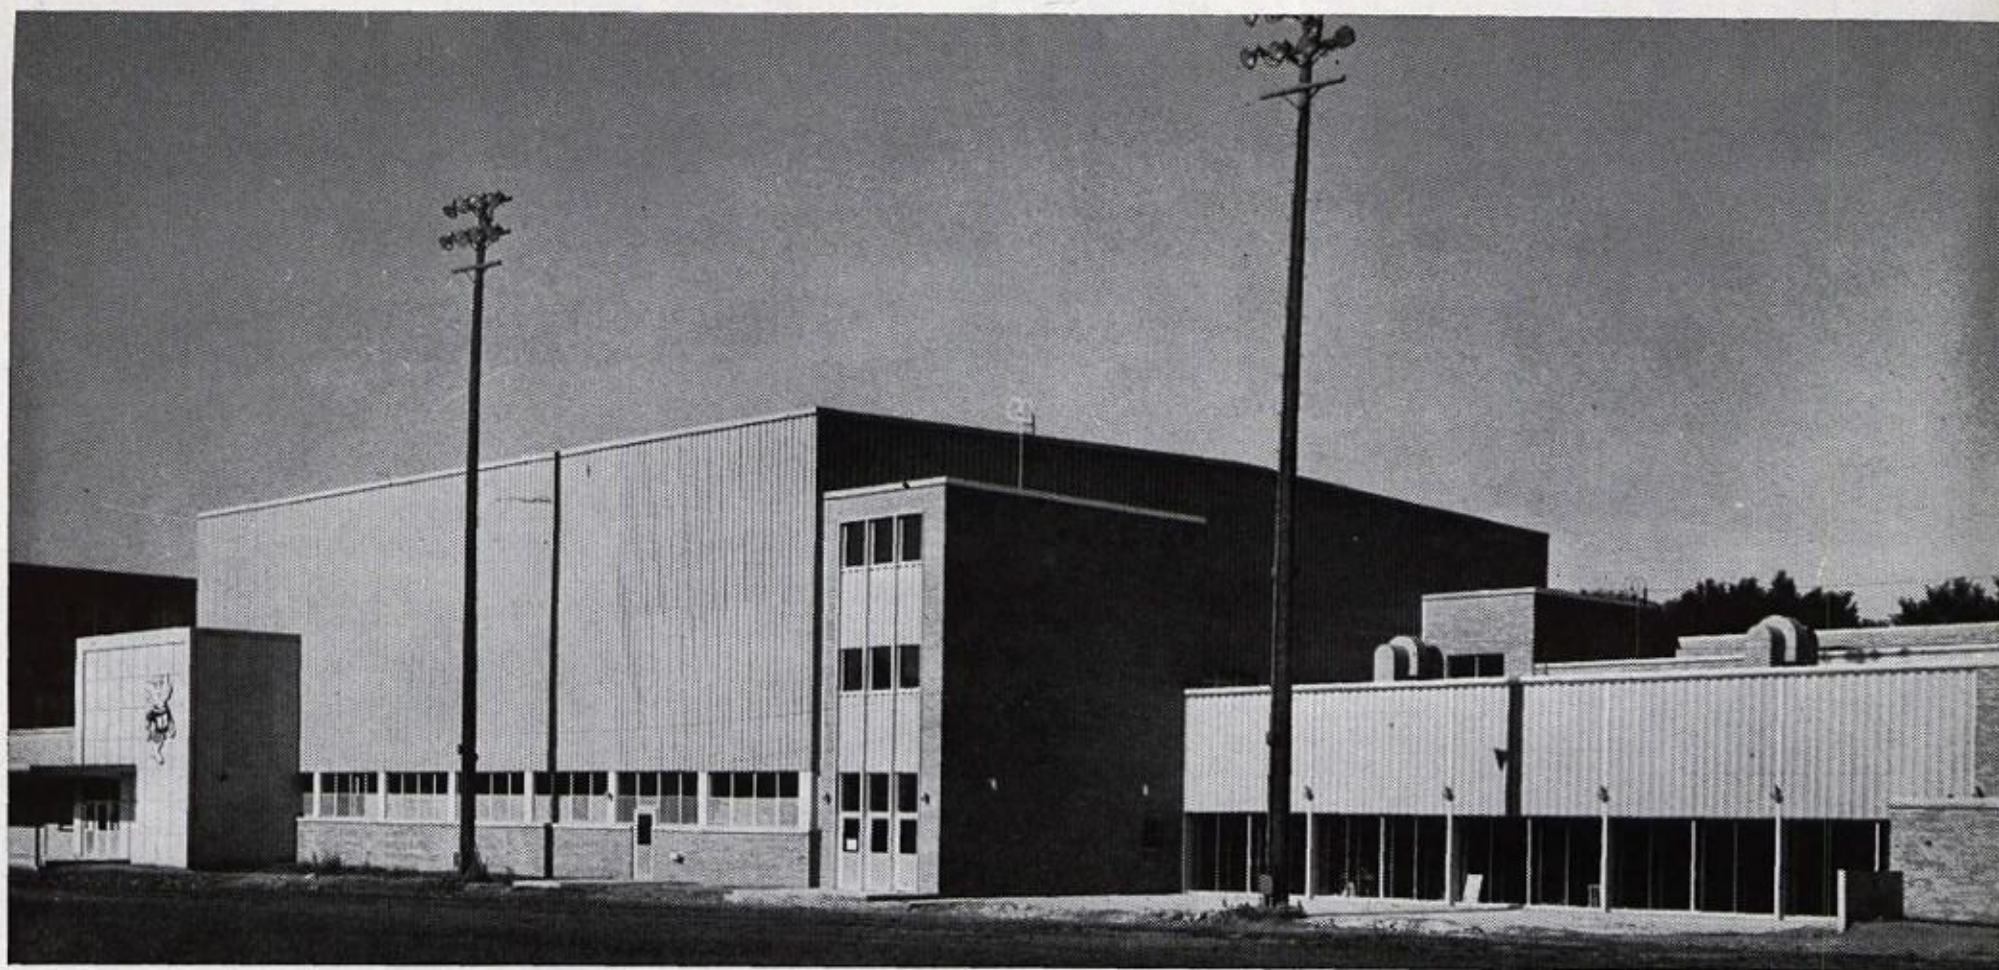

Born under the sign, AQUARIUS.

DEDICATION HOROSCOPE

You have an original and fresh outlook. You willingly lend your help where it will be of the greatest benefit. Your sympathy is vast. That which is different appeals to you.

Miss Yahr's cheerful smile is known to everyone.

THE CAMPUS

*What man has written man may read;
But God fills every root and seed
With cryptic words, too strangely set
For mortals to decipher yet.*

--- CHARLES DALMON

The mystic roots and seeds spoken of by the poet surely are embodied in the stately evergreens, the lofty oaks, and the other foliage that grace the campus of West Bend High School. The splendor of this campus makes our morning walks across its dew-drenched lawns and the tense moments that we spent at Bruhy Field during football games or track events some of the most enjoyable experiences in our high school career.

The trees and shrubs lend a rare touch of sylvan beauty to our campus as the seasons change. The mellow tones of fall are softened

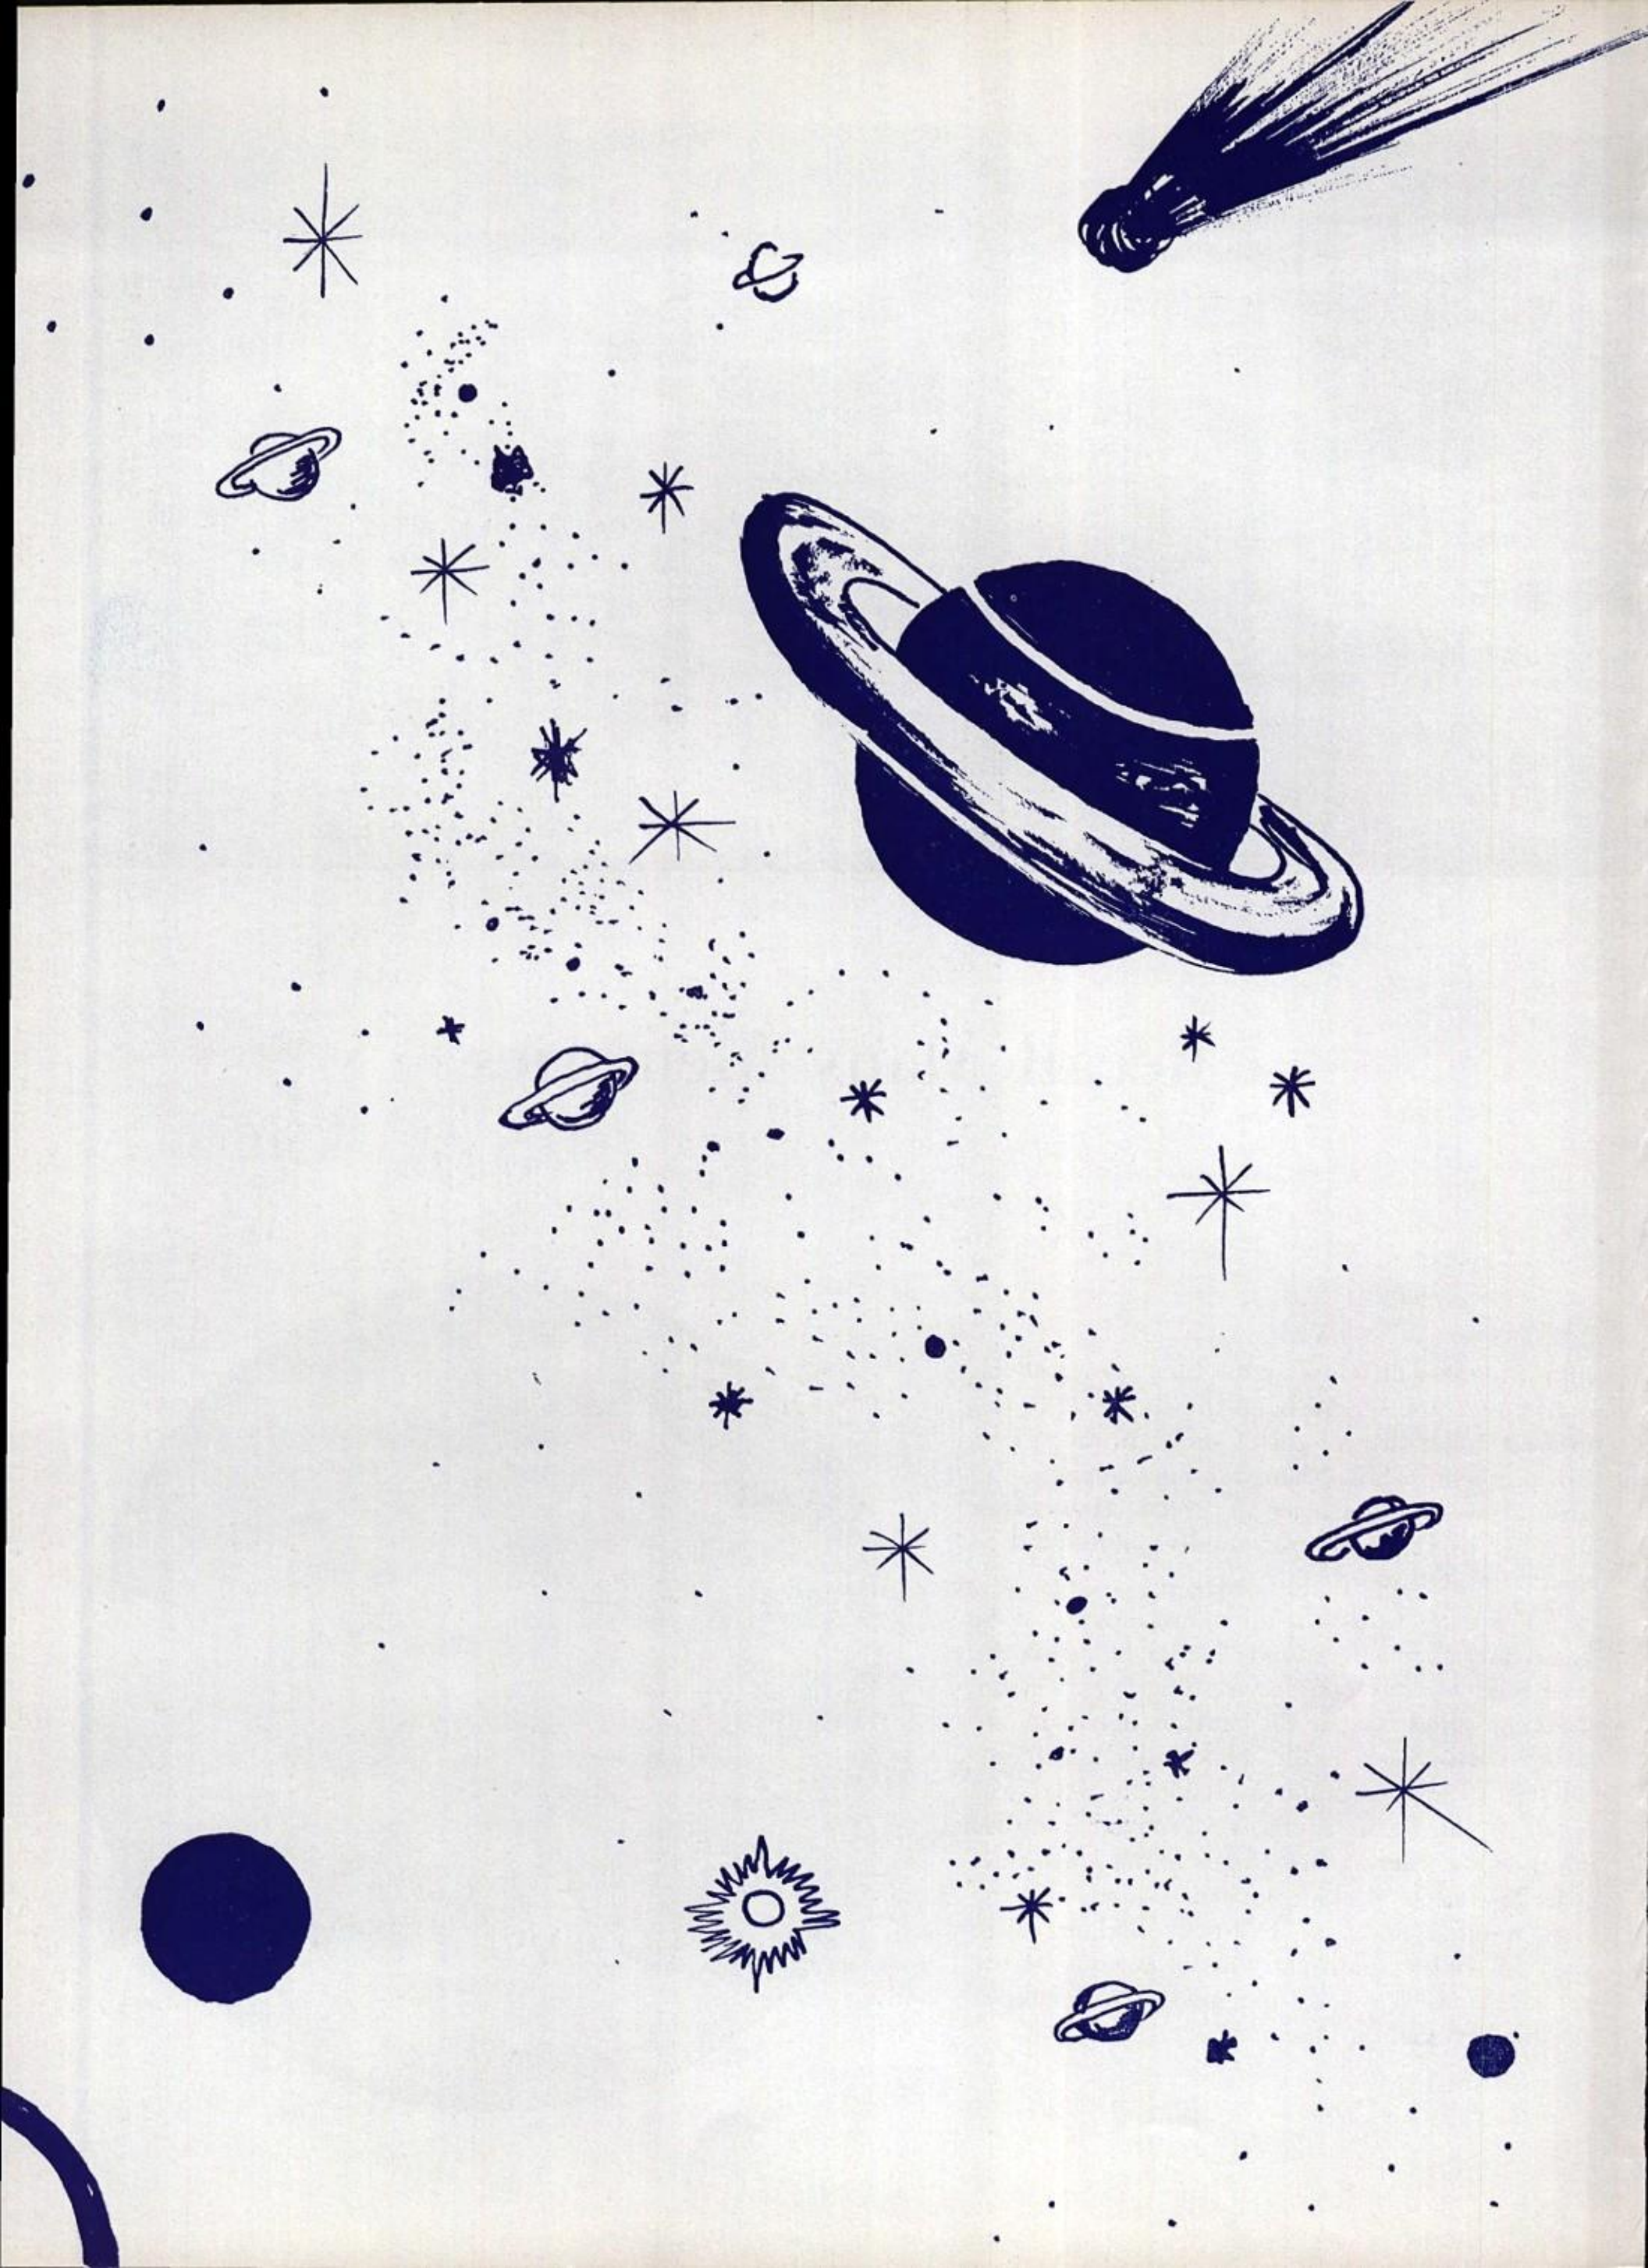

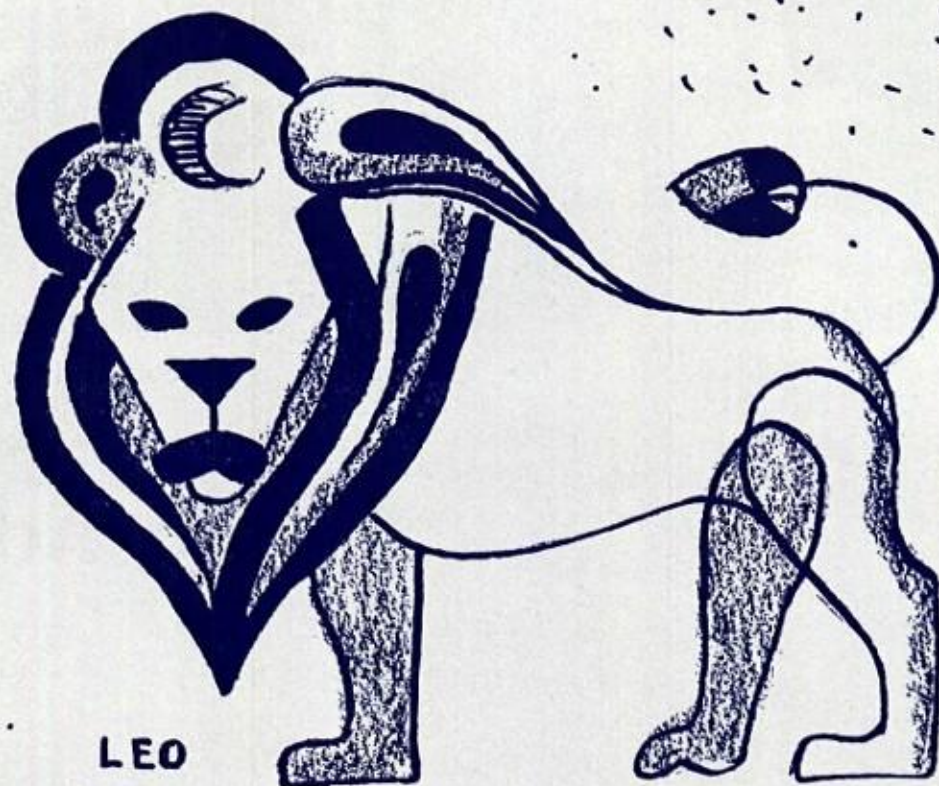

Recall Many Memories

into a blanket of white as the blue spruce at the entrance to the school bend their needles to the ground under the weight of snow. In the spring the spruce appear in their rich hues again as the ground wears its carpet of green. How often have we driven past and proudly pointed out to visitors that this was our campus.

For many of us, the appearance of the West Bend High School grounds has changed in the past four years. When our freshman year began, a serene pond lay at the north-east end of the campus. However, as the school rapidly expanded with a new addition in 1958, the pond was filled in, the tennis courts were moved from the south-east corner of the campus to the north side, a large student parking lot was added, and the now familiar features of "Bucky Badger" were raised over the south entrance in the rear of the school. As we leave in June, our colorful campus is sure to remain a fond memory.

The Administration . . .

ADMINISTRATION HOROSCOPE

You have inspiring ideas of establishing a new era of peace and happiness in your sphere of influence. Your knowledge of people, coupled with your tact and intelligence, has gained you your exalted administrative position. You will always accept your responsibilities unflinchingly and frankly.

During the past four years, we have often been reminded that our school has the distinction of being rated as one of the top forty-four schools in the nation. It is indeed an honor to be a member of the graduating class of 1961 from a high school which holds this high standard of achievement.

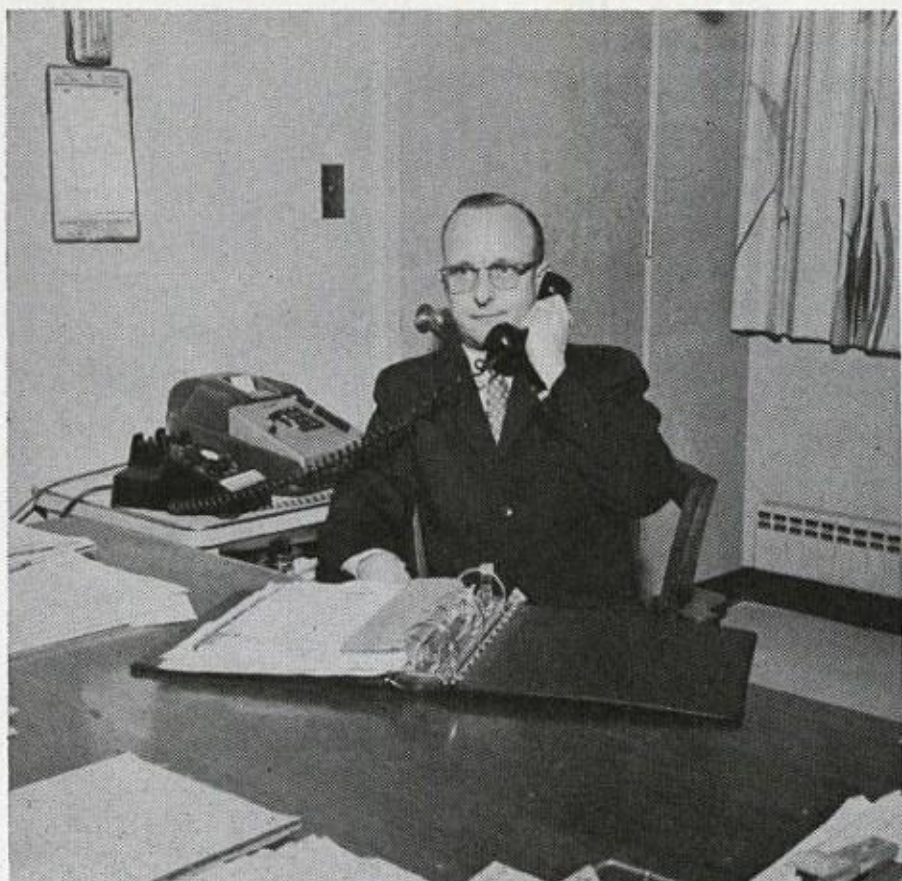

A school is only as good as its governing body and its teaching staff; therefore, the administration and faculty of our school are undoubtedly of the highest caliber.

Mr. Paul Loofboro brought with him to West Bend High School a wealth of experience which has proven to be invaluable to our school. Mr. Fred Schultz, our principal for nine years, has counseled us well and for this we thank him.

Our fine teaching staff which works hand in hand with the administration has given us an excellent foundation upon which to build our future.

The Faculty . . .

FACULTY HOROSCOPE

You are happy in your role of leadership. Control of your impulses enables you to fill your job with grace and competence. To achieve your future goal may take much time, labor, and willing patience, but you give of these willingly.

The English department discusses possibilities for curriculum improvement.

Intern teaching is a new idea in the field of education, and we at West Bend High have been fortunate to benefit by it.

In this type of teaching preparation, young people who have received their degrees in the arts but have not majored in education are given the opportunity to participate in actual classroom situations. The experience they gain by spending a semester in a school enables them to receive credits toward their graduate

work and to better prepare them for their first year of teaching.

The University of Wisconsin is among the leaders in this program of intern teaching. Mr. Burget spent the first semester at WBHS teaching biology; Miss Weinbroer worked with Miss Birkholz in the English department. Mr. Mullen, who was in the science department the second semester, also did his intern work in biology.

PISCES

Four years have passed since that day in September, 1957, when 273 of us embarked on our high school career. Our freshman year was devoted to getting oriented. The vastness of the building with its crowded halls soon became second nature to us. With Peter Berkholtz as president, Rosemary Frankow as vice-president, and Jane Bauer as secretary-treasurer leading our class, we made our successful debut.

As sophomores, President Bob Wegner, Vice-president Kathy Eklo, and Secretary-treasurer Julie Simoneau took over the helm. Our Post Prom party, with "Carousel" as the theme, took long hours of planning and execution, as did the many extracurricular activities in which we sophomores successfully engaged.

As our junior year rolled around, our class really made its mark. Thirteen of our classmates were selected as members of NHS, six were now on YAC Council, and many junior boys excelled in sports. Led by President Bob Wegner, Vice-president John Metz, and Secretary Jane Bauer, we decorated the new gym in a beautiful "Bali Ha'i" theme for our prom. Queen Kathy Eklo and King Bob Wegner led the grand march.

Our senior year proved that we could excel in many things. Eric Skuldt was elected president of the Student Senate; Ruth Wegener, vice-president; and Julie Simoneau, secretary-treasurer. Another "first" for our class was Kenney Schowalter's selection as a full-time AFS exchange student in Italy. Our vice-president, Linda Baumann, was elected DAR winner, and the accomplishments of the other officers, President John Metz, Secretary Jane Ripple, and Treasurer Cheri Roberts are told on the pages devoted to Sports, National Honor Society, Campus Clipper, etc. Our classmates did well in sports too, and scholastic honors were gleaned by many. Having made our mark at West Bend high school, 260 of us will be in the processional June 8.

Because recognition is rarely given to students who have achieved a fine record of service during their high school careers, the 1961 Bend takes this opportunity to salute them. The students pictured here have been chosen by a majority of the faculty, cognizant of their contributions, as being deserving of this honor. These eight, especially, have contributed unselfishly and willingly of their time and effort.

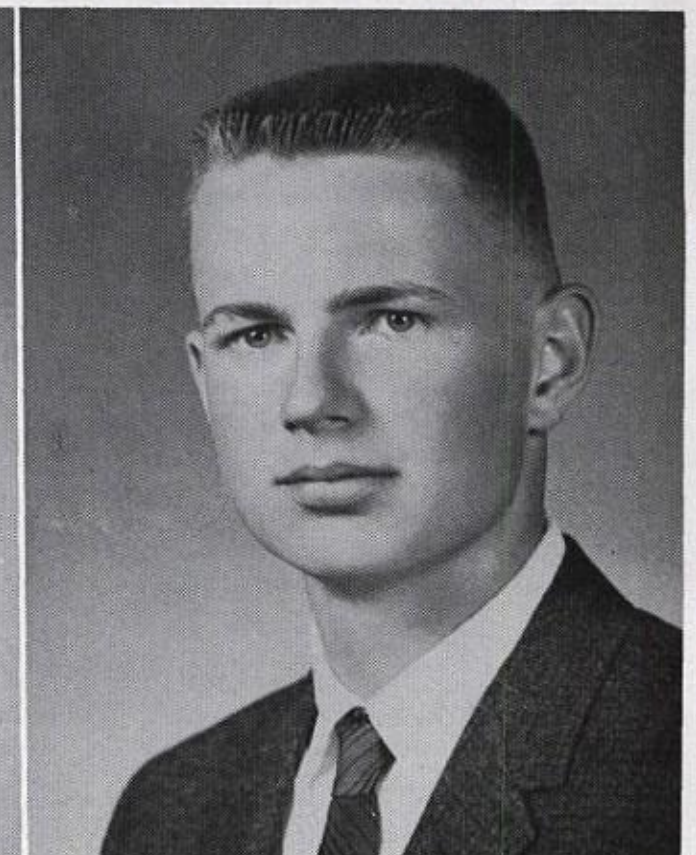

Also to be commended are those who attained a fine scholastic record. The Class of 1961 is privileged to have forty students who have maintained a 3.2 average or better throughout their four years of high school, thereby qualifying for the Honor Roll.

Upperclassmen At Last . . .

JUNIOR HOROSCOPE

You have unusual skills and ingenuity. You enter wholeheartedly into undertakings which interest you. Do your utmost to be reliable and consistent.

The juniors chose Vice-president Bill Arendt, President Ron Wolf, and Secretary-treasurer Betti Marks to lead their class.

GEMINI

It has been said that good things come in small packages . . . Perhaps this quotation can be applied to the Juniors, the smallest of the four classes, and their accomplishments.

After the election of President Ron Wolf, Vice-president Bill Arendt, and Secretary-treasurer Betti Marks, we launched into Homecoming activities. Our class' first achievement was having Gayle Mueller reign as Homecoming Queen with Dan "Honey" Harter as her king. As a bonus, Mrs. Smith's homeroom won first prize in the parade for having the cleverest float.

In sports, we were proud of juniors Jeff Haebig, Dave Cooley, Ron Weasler, and Delbert Schneider, on the cage squad and of Jack Kaehny, Bob Borchert, Ron Wolf, Wally Meyer, Bill Arendt, Jack Stoltz, and Jerry Hoepner who made the varsity in football. They were all enthusiastically backed by our varsity cheerleaders, Sandee Crabb, Sharon Frank, and Sharon Quade.

Many juniors participated in debate and forensics this year, and especially outstanding work was done by Patty Nungesser, Chuck Shabino, Dennis Hembel, Jane Gehl, and Mark Justl.

By far, the most momentous activity of our junior year was the preparation for our Southern-themed prom, "Bontura." Amid the iridescent glow of pastel lights, all the romanticism of the Southern era was again relived . . . it signified the culmination and the grand highlight of our Junior year.

As Juniors, we think we did well this year, both for ourselves and for our school. Next year, as Seniors, we hope to do even better.

Sophomores Aspire Toward . . .

All the sophomores entering the halls of West Bend High School in the fall of 1960 did so, determined to make this school year a noteworthy one.

The first task undertaken was the election of our class officers. The sophomores chose Bruce Caldwell, president; Marlene Haen, vice-president; and Diane Simons, secretary-treasurer. These choices were excellent ones, as events soon proved.

The elections were followed by an exciting football season. Our class contributed five stalwart sophomores to the varsity grid squad in the persons of: Ed Placek, Bob Ginocchio, Bruce Caldwell, Dave Roell, and Ron Kirkland.

Homecoming naturally climaxes the football season. We chose Ann Gessert to represent us on the Homecoming Court. Dave Clark was her escort in the Grand March. We also worked hard on our entries in the float competition. The slogan, "Heaven Sent," by Mr. Panfil's homeroom won second prize for their float. Mr. Panfil's homeroom also copped the Christmas Door Decorations trophy.

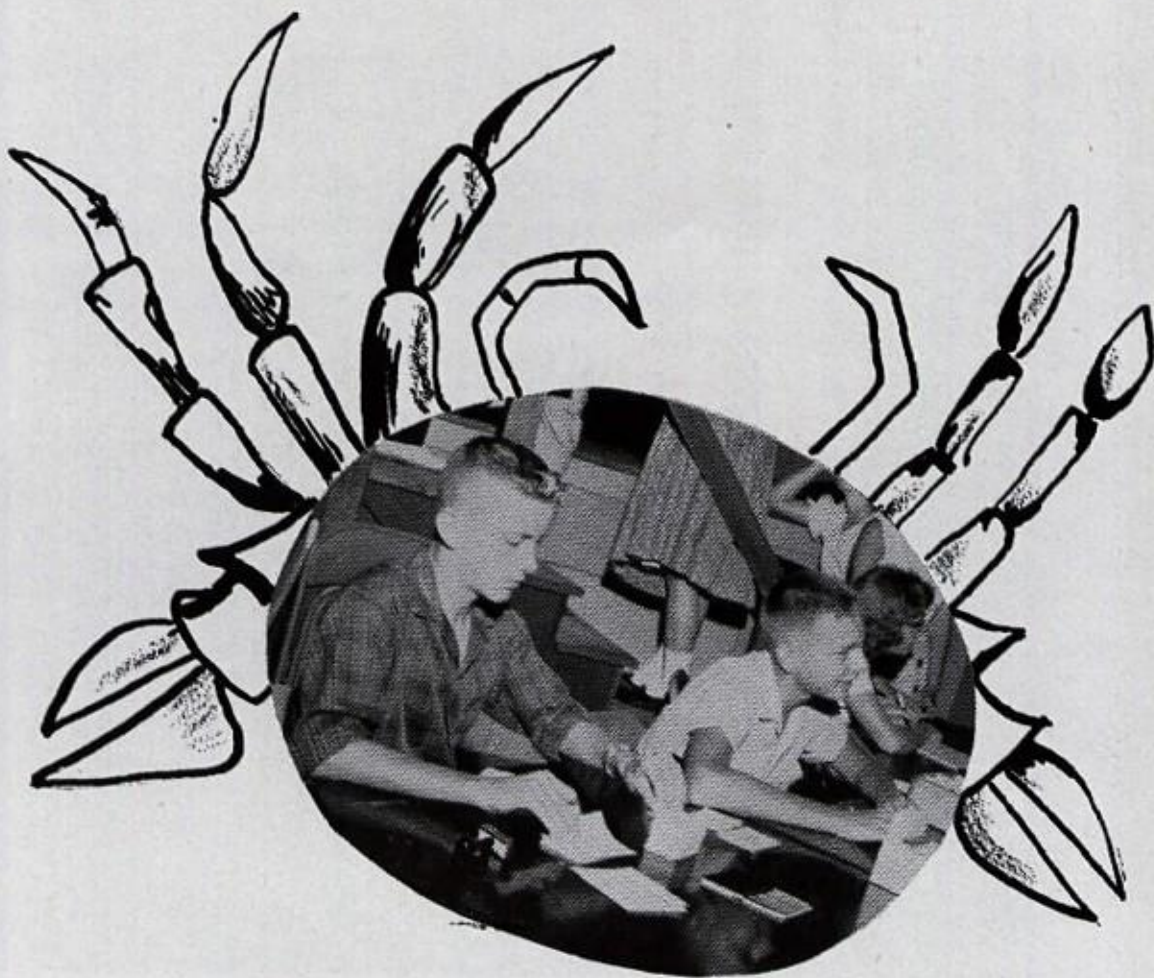

As thoughts turned to mittens, boots, and snow-tires, basketball became the main attraction. Butch

The sophomores elected Marlene Haen, Vice-president; Diane Simons, Secretary-treasurer, and Bruce Caldwell, President as officers of their class.

SOPHOMORE HOROSCOPE

You believe in "living and letting live." You do not impose on others and are anxious to show your appreciation for favors. You are loyal to your friends. They, in turn, enjoy your companionship.

CANCER

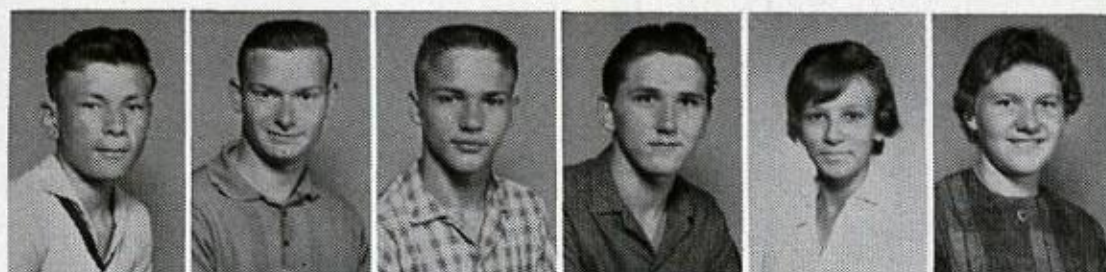

Buddenhagen, Ron Kirkland, Bruce Caldwell, and Dave Hammer did an outstanding job on the "A" team, and Dennis Novotny, Bob Koehler, and Ed Placek were standouts on the "B" team.

Cheerleaders play an important part at every football and basketball game. Diane Simons and Joan Knoebel cheered the boys on to many victories and kept alive that old "school spirit." There were achievements in other fields as well. Tom Olson broke many records in swimming, Peter Kober placed third in the state wrestling meet, while Dan LeMahieu and Dave Scheer participated ably as members of the varsity debate squad.

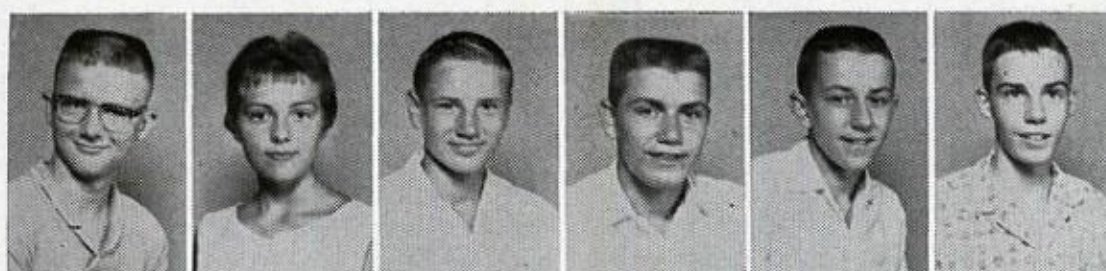

As sophomores we had the pleasure of sponsoring, with the aid of our parents, the post prom. Our theme was "Through the Looking Glass." Many hours were spent in planning and decorating. The atmosphere was appropriate with large wall panels of the "Mad Hatter," "Tweedle Dee Dee" and "Tweedle Dee Dum", and others. The menu, corresponding with the theme, included such delicacies as "ham a'la wonderland". "Chico" provided the surprise entertainment, and all in all, the evening was a huge success and one long to be remembered. Another enjoyable event was the arrival of our class rings.

We look back on our sophomore year with deep satisfaction, and at the same time, eagerly anticipate our junior year.

New Members of Our School

FRESHMAN HOROSCOPE

You are extremely practical. Being quick to make decisions, you dislike being told to slow down. You are always ready to help others enjoy life. Don't hesitate to ask forgiveness of anyone you have wounded with your occasional abrupt and impulsive utterances.

The freshmen officers are President Bruce Hutson, Vice-president Tom King, and Secretary-treasurer Judy Schmidt.

ARIES

Now our freshman year was behind us. It seemed like only yesterday that we nervous freshmen were seated in the gym, waiting to be assigned to our homerooms. Our biggest worry at the time was the prospect of finding our way through the endless hallways. Looking back at that first day, it's hard to believe that only nine months ago we were "lost" in the building that has since become our "home away from home." So many activities have kept us busy, that we've hardly had time to catch our breath. With the long, warm days of summer stretching before us, we want to reminisce a bit about this past year.

The first chance we had to meet the members of our class socially was at the freshman party. After the ice was broken, we met many class members who would later become our good friends.

The election of class officers was the first order of business that confronted us as a class. We elected: Bruce Hutson, Tom King, and Judy Schmidt as President, Vice-president, and Secretary-treasurer respectively. Later, the Student Senate election was held.

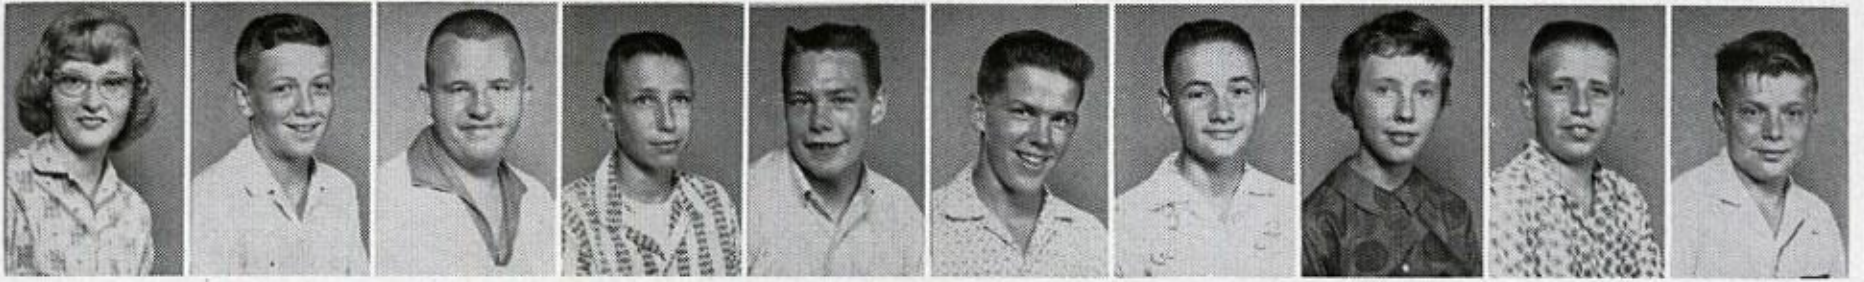

After all the campaigning, we began to work on our first homecoming floats. For our representative to the Queen's court, we chose petite Kathy Spaeth. She, along with the upper-class members on the court, presided over all the exciting homecoming events.

Even before we began preparing for our first homecoming, we freshmen were busy in various activities. These included cheerleading practice (after which eight girls became our peppy "C" team cheerleaders) and tryouts for the newly formed Freshman Ensemble. At this same time, the freshmen boys were giving their all on the "B" football squad. Many others were already busy training for the winter sports.

Members of our class also excelled in forensics and debate, and many constructed exhibits for the Science Fair held in March.

This year was a fun-filled one for the class of 1964, and we all feel that we started our high school career "on the right foot." Now let's stop reminiscing and look ahead to the coming years which only we can make as exciting as the first.

Senate . . . Conducting Student Affairs

SENATE HOROSCOPE

You handle people tactfully. Due to your extremely optimistic outlook, you seem to be reckless with your finances. You cannot bear cruelty. Your cheerfulness can attract more friends.

Ruth Wegener, Julie Simoneau, and Eric Skuldt were elected our Student Senate officers.

"The object of this organization shall be to express the wishes of and perform services for the student body of West Bend High School. This shall be accomplished through cooperation with the administration and teachers, in order to create a better school to serve the interests of all." As a result of the May election, Eric Skuldt, Ruth Wegener, and Julie Simoneau were installed as President, Vice-president, and Secretary-treasurer respectively and were entrusted with the responsibility of seeing that the above duties were carried out.

After all but two of the forty-three homerooms elected senators and alternates during the first week of school, the work of the Senate commenced. In rapid succession, the Senators helped with the "Freshman Day" activities, class officer elections, and the "Dad's Nite" ceremonies.

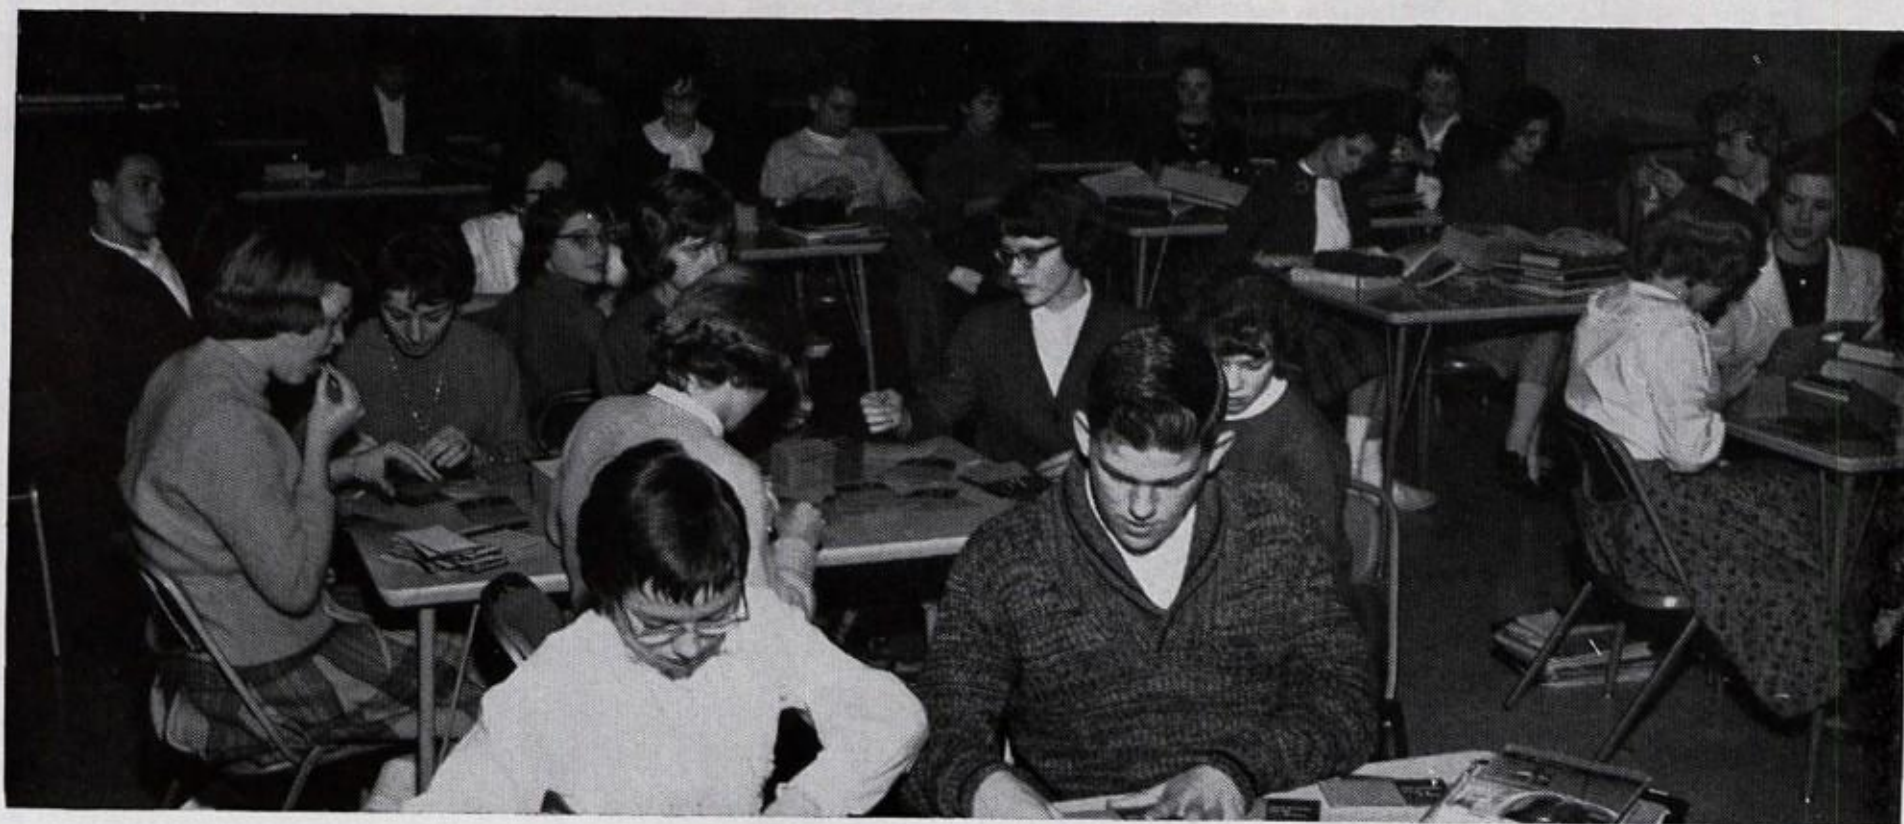

Meetings early in October were taken up with the planning and organization of Homecoming activities. The Senators chose "Folhas de Outono" (Autumn Leaves in Portuguese) as the theme of the dance on Friday evening. The Homecoming activities were off to a good start with an outstanding parade and bonfire Thursday evening.

To add to the festive atmosphere of the Christmas season, the Senate conducted a very successful homeroom door-decorations contest and festooned a Christmas tree in the lobby.

As a further example of their desire to carry out their duties, the Senators arranged to have a copy of the West Bend Code of Good Sportsmanship painted and hung under the scoreboard in the gymnasium.

Rounding out the program of activities of the 1960-61 Senate were: the discussion of the possibility of staging a variety show, election of next year's officers, Awards Day ceremonies, and revision of the constitution.

It is hoped that under the guidance of Mr. Allen and Mr. Contrucci, coupled with the experience that Eric obtained at the convention for the National Association of Student Councils, your Student Senate was able to make a lasting impression on your memories.

The Senate is busy at work on one of its projects --- the Teens Against Polio Drive.

YAC Council . . . Plans the Social Calendar

YAC Council: *First row* --- S. Benedict, J. Simoneau, D. Schultz, S. Grundahl, L. Baumann, J. Haebig.
Second row --- J. Kratz, R. Wegener, M. Lauson, M. Schnepf, M. Brown, S. Krieger, K. Johnson.
Back row --- T. Schloemer, D. Scheer, D. LeMahieu, D. Cooley, E. Skuldt, J. Gibson, S. Roecker.

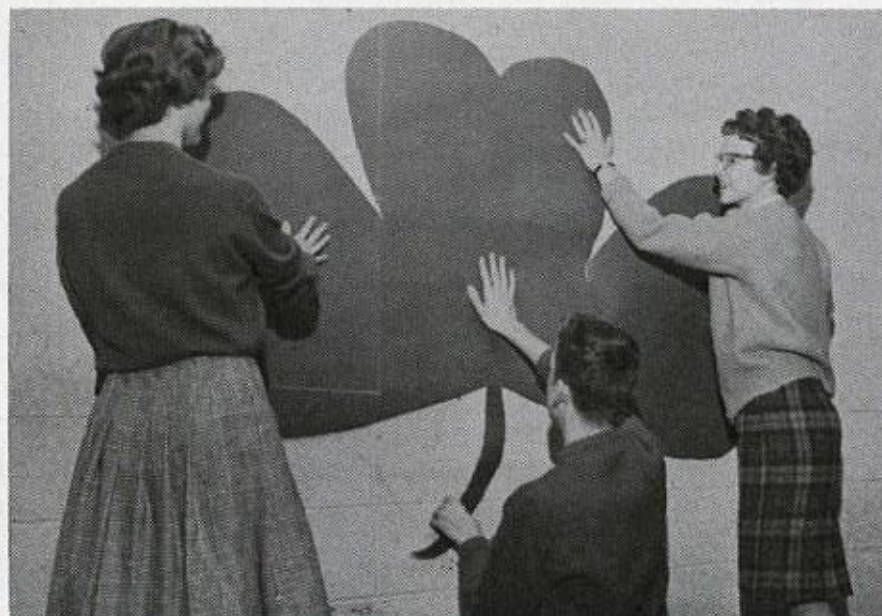

The Youth Activity Council serves the students of West Bend High School by helping organize and direct the social activities of the school. The YAC Council officers elected for the 1960-61 year were: Steve Benedict, president; Linda Baumann, vice-president; and DeeDee Brown, secretary-treasurer. Under the capable leadership of Mr. Allen, Recreational Director, the officers and council members worked tirelessly to provide our school with a program offering a wide variety of activities.

The opening event on the social calendar was a Chicken Barbeque, sponsored by the YAC last summer, which proved so popular that a similar project will be sponsored next summer. The proceeds from this venture were used to provide the YAC with a network of valence lighting. In keeping with a Carnival theme, the YAC was transformed into a bustling midway of games and fun. Following this was the Dip, Dine and Dance Party, which together with the after-game dances have provided West Bend High School students with hours of pleasurable fun. The Mid-Winter formal dance, under the chairmanship of Dinny Schultz, had as its theme "Wonderland by Night."

The following seniors have served on the YAC Council since its inception some three years ago: Steve Roecker, Bob Wegner, and Julie Simoneau. The remaining seniors on the council are: Ruth Wegener, Linda Baumann, Eric Skuldt, Jamie Gibson, Tom Schloemer, and Joyce Kratz. Sue Grundahl, Dave Cooley, Steve Benedict, DeeDee Brown, Jeff Haebig, and Mary Lauson were the junior members of the council. Representing the sophomores were: Dan LeMahieu, Dinny Schultz, Dave Scheer, and Marlene Schnepf. Two freshmen, Kitty Johnson and Sandy Krieger, completed the council.

YAC Council Officers --- Secretary Dee Dee Brown, President Steve Benedict, and Vice-president Linda Baumann, work with Mr. Allen.

Badger State . . . Practice In Governing

Larry Poehlman, Thomas Bauman, Stu Eickelberg, Bob Snavely, Bob Bodenbach, and Doug Potter were our representatives to Badger Boys' State.

BADGER STATE HOROSCOPE

You are able to fill political offices efficiently. You are forward looking and have confidence in your future. You are willing to work cheerfully for the best interests of the group.

Linda Baumann represented our school at Badger Girls' State.

BADGER GIRLS' STATE

All the details of the actual functioning of our state government in all of its branches became realities to Linda Baumann, who, during the week of June 15-22, 1960, was a delegate to the Badger Girls' State. This is held annually on the University of Wisconsin in Madison campus.

Although the week was filled with an intensive program of activities designed to fully acquaint the girls with government procedures, there was time, too, for a most enjoyable social calendar.

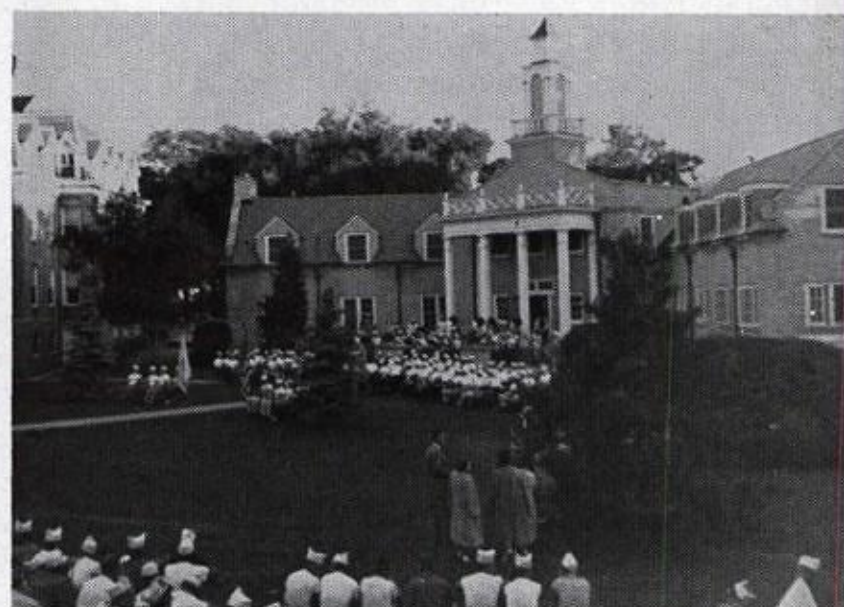

Having been elected to two offices (City Clerk of Elm City and Assemblyman for District No. 2), Linda returned to West Bend much enriched by her experiences. She was also an active participant in an assembly at which Governor Nelson addressed the group.

The knowledge gained and the friendships formed made this indeed a rewarding week.

BADGER BOYS' STATE

Upon completion of the 1959-60 school year, six junior boys: Tom Bauman, Bob Bodenbach, Stuart Eickelberg, Larry Poehlman, Doug Potter, and Bob Snavely were privileged to attend the annual session of the Badger Boys' State at Ripon College.

Along with 800 other delegates who attended the session, the six boys came prepared to learn the intricacies and complexities of state government. The week was filled with daily sessions where our delegates received instruction in law, civil service, peace officers' training, and parliamentary law; with assemblies and important lectures, recreation periods, and, most important of all, the actual elections. These elections taught the boys more than they could have learned by just text book instruction. The high point of the week was the campaigning and election of the state officials. The whole experience was very exciting, rewarding, and memorable.

The Badger Boys assembled at the Ripon College campus.

National Honor Society . . . Rewarding Feat

Giving recognition to those students who have displayed qualities of leadership, service, character, and scholarship is one of the functions of the National Honor Society. Any junior or senior who has been in attendance at West Bend High for at least one semester and who has maintained a 3.48, or better, average is eligible for membership --- provided he has proven himself deserving of the honor in the other areas of consideration. New members are elected to the society twice a year. The National Honor Society has

been an active organization at WBHS since May, 1950. This year, new members were initiated during an impressive evening ceremony on November 21. President John Metz opened the program. Then, each of the officers in turn presented a speech in which he discussed one of the four qualities essential to membership. Our guest speaker, Mr. Fred Schultz, formally accepted the new members into the society and presented them with membership cards. The new members and their proud parents enjoyed refreshments afterward.

The officers are: John Metz, President; Jane Bauer, Secretary; Karen Skuldt, Treasurer. Gary Schutt was elected Vice-president to replace Kenney Schowalter who is in Italy for the year.

Anne Lindemann and Chuck Shabino discuss debate material with Mr. McMillion.

The varsity team was composed of Dave Scheer, Gary Finch, Dan LeMahieu and Errol Reksten.

On November 12, 1960, the WBHS debate team went into action for the first time in the Invitational Meet held here. Before actual competition, the debaters had to do considerable research on this year's question, "Resolved: that the United Nations should be significantly strengthened." Revising and strengthening of cases by our debaters continued throughout the season until the final tournament on Saturday, January 21st at Janesville.

The team as a whole did not take any long trips; however, the varsity team of Dave Scheer and Dan LeMahieu (affirmative) and Errol Reksten, Chuck Shabino, and Anne Lindemann (negative) attended the

Little Nationals at South Saint Paul. Still another varsity team participated in the district tournament at West Bend on January 28th. This team, composed of Dave Scheer and Dan LeMahieu (affirmative) and Errol Reksten and Gary Finch (negative), had a perfect 6-0 record in the District and also went to the Sectionals, February 11th, and the National Forensic League Tournament on February 18th.

To show their appreciation for Mr. McMillion's long hours of patient coaching, the team presented him with an appropriate gift at a final debate party on March 2nd. The team is looking forward to a successful season next year.

Constantly rushing to meet deadlines, the members of the Bend staff can view their finished product with pride.

As Gary Finch and his committee hurried to find subscribers, others were busy writing stories and articles on the many school activities. The photography for the Bend was done excellently by Bob Boltz and Ron Kuhn, with Kathy Eklo furnishing the cover design. Jim Weiss, our business manager, collected the money and paid all our expenses in a capable manner.

All our work was accomplished under the able leadership of the three Bend editors: Linda Baumann, Jeanne Hammes, and Karen Skuldt. Thank you's are also extended to the Washington County Publishing Company, the printers of our Bend; the Mandel Company, our engravers; and our advisors, Mr. Fred Baxter, Mr. Raymond Panfil, and Mr. Wallace Benson for their untiring assistance.

Band and Orchestra...Fills Need for Expression

BAND HOROSCOPE

*You can work easily with people.
You will not reach success overnight;
you will have to pursue your goal
slowly, step by step.*

In its numerous appearances during the 1960-61 school year the band performed with its usual fine style and good showmanship. It gave our football and basketball teams that added pep and spirit that helps win games. One of the highlights of the football season was the Indian dance. All of West Bend's "little Indians" showed their stuff at half-time to the accompaniment of the band resplendent in full-dress uniform.

The outstanding band performance was the All-Star Festival Band Concert held and sponsored by our school on March 18. The concert brought together players and directors from Beaver Dam, Cedarburg, Hartland, Mayville, Menomonee Falls, Port Washington, Thiensville, and West Bend. Mr. Leonard Smith was guest conductor and soloist, and special guest was Mr. Jack "Heinie" Bundy. Congratulations were in order to Mr. Shlimovitz and all those who helped him to make music the common bond of the 175 musicians performing in this truly outstanding concert.

With about 500 students participating in various choral productions under the direction of S. J. Cupery, the chorus department had another busy and eventful year. A momentous event for the department was the purchase of a new Gulbranson organ, the first one to be put to full-time use at WBHS. The early months of the school year were spent working on our Christmas Concert and our Ensemble performances. To complement the Senior Mixed Ensemble, a Girls' Ensemble and a Freshman Ensemble were added to our department.

The new semester brought with it the staging of "The Red Mill," a musical comedy by Victor Herbert, which provided us with a lot of hard work and fun. The operetta was presented March 24th and 25th before a full house each night. Aiding in its success were Mrs. Searls, playing our new organ; Chuck Nicholas, our choreographer; and of course, our director, Mr. Cupery.

Mr. Cupery attends to one of his many duties, planning the musical program for the year.

As an AFS student to Chile, Jane Bauer resided with the Julio-Aquirre family.

America has always held a special place in my heart. My fondest hope was to come here and learn about your wonderful country and people, and, especially, about teen-agers like myself.

Well, I did come, and, all too soon this wonderful year at West Bend is rapidly coming to an end. I would not trade this year for anything in this world! As the years pass, I will never forget the wonderful friends and experiences I had in West Bend.

I thank you all, without exception, for everything you did to make my trip here possible and my stay a most pleasant one. I hope someday I may come back from Brazil to the States. Until then, "*Ate logo, e muitas Felicidades.*"

NELSON R. WILLRICH

As an AFSer in 1960, I had the pleasure of living with a family in Santiago, the capital of Chile, which is a modern and beautiful metropolis with many colorful parks and plazas.

My family in Chile was wonderful, and with them I spent two exciting and very happy months. Senor Julio-Aquirre, my father, was very jovial and my mother was also gay. Pelusa, my sister who was twenty-one, was very pretty and fun-loving. My brother Humberto, 18, enjoyed parties and American cigarettes. I shall never forget Chile or its people.

Yes, it was hard to say "*Chao*" to my wonderful family and friends in Chile, but someday, when I shall return, my first stop will be a visit to my AFS home in Santiago.

JANE BAUER

Toward International Harmony

This year Nelson Willrich, AFS student from Brazil, made his home with the Charles Hammer family: Ricky, David, Neco, Mr. Hammer, and Mrs. Hammer.

Before I came to America, I had the mistaken conception that American high school students drove about recklessly in their cars, dressed sloppily, and perpetually chewed gum. It didn't take me very long to discover that West Bend High students weren't like that at all. You differ little from students in my native Sweden. From my very first day in school, everybody has been just wonderful to me and has done everything to make me really feel at home.

It has been a wonderful experience for me, and I would like to say thank you from the bottom of my heart to all of you who made my stay a memorable one. I am sure there are a lot of nice little towns all over America, but I'm quite certain that there is not one that is as friendly as West Bend.

ANNA ANDOLF

Dear friends and fellow students,

I can never thank you enough for the opportunity you gave me to know another country and its people. I only regret that my friends in West Bend could not have met my friends of Barletta.

I realize now that one cannot generalize that "Young people all over the world are the same" and leave it at that. There are many differences which must be recognized and understood. The basis for future peace must be such understanding. You cannot understand someone unless you have talked with him, know how he was trained and educated, and comprehend his environment and country.

For me, Italy has become a second home, and I can never repay everyone here for their kindness and help.

Grazie e arriverderci,

Clubs . . . Help Students Adjust Socially

Knitting needles, slide rules, wedding dresses, these were just a few of the articles which were seen around school on days when clubs met. Students found the choice of clubs to be especially plentiful and varied this year. Everyone could find at least one club to interest him.

The club program, which was held for thirty minutes on ten consecutive Wednesdays, is designed to broaden the student's horizon. It provides students with an opportunity to meet new people, to acquire new skills, and to prepare for a future career. It also gives students a chance to be leaders and accept responsibility.

In addition to meetings during the regular club period, some clubs met after school to plan large projects. For instance, the AFS club undertook the planning of a whole week of activities, such as the Ambassador Dance, slack day, and others. Latin Club members also spent considerable time planning their annual banquet.

The German Club sponsored a novel old country fair, "Stadtchen am Rhein" in the YAC, which featured a sidewalk cafe, a bakery booth, and games.

Although the clubs require a lot of work from their members and teacher sponsors, they are worthwhile outlets for excess energy and are enjoyed by everyone.

Senior Class Presented "Great Expectations"

"Put me down! Put me down this instant, do you hear?" These were the shrill outcries of Mrs. Joe Gargery (Jeanne Hammes) as her meek husband, Mr. Joe (Steve Lass), carried her offstage. This was just one of the many amusing episodes which characterized the senior class play, "Great Expectations." This drama was presented by the Class of '61 in the high school cafetorium on March 3rd and 4th.

"Great Expectations" is the tale of a young boy, Pip (Billy Hildebrand), who unknowingly determines his own future by aiding a convict (Butch Winninghoff). As a young man, Pip (Tom O'Meara), journeys to London to begin his education which is being paid for by an unknown benefactor. He falls in love with a conceited girl, Estella (Toni Beaumont), who breaks his heart. The parentage of Estella is a mystery. She is the ward of spinster, Miss Havisham (Janyce Willkomm), who trained her to be cruel to the opposite sex. However, all the questions as to Estella's background and Pip's mysterious benefactor are answered and the curtain comes down on a happy scene.

Humor was injected into the plot through such characters as Skiffens (Linda Baumann), Jaggers (Eric Skuldt), and Clara Barley (Mary Muth), as well as Joe and Mrs. Joe.

Each member of the cast could be proud of the fine performance he contributed to this excellent dramatic portrayal. Also to be congratulated are Mr. Norland Benson, who gave his time and energy as director; and Mr. John Hafemann and crew, who provided the scenery.

Members of the Senior Class Play were: *First row* --- Linda Baumann, Steve Lass, Toni Beaumont, Mary Muth, Billy Hildebrand. *Second row* --- Eric Skuldt, Janyce Willkomm, Cheryl Roberts, Barbara Stube, Butch Winninghoff. *Top row* --- Jeanne Hammes, Tom O'Meara, Wayne Erickson, Karen Skuldt, Alan Randall, Rich Hess.

Center --- Mr. Benson directs the players.

Bottom --- "We wouldn't want you to starve, poor miserable creature, would us Pip?"

One-Act Plays . . . Variety of Moods

The first dramatic offerings of the year were the one-act plays presented in the high school cafetorium on October 21 and 22. The actors, actresses, and directors turned in fine individual performances.

A melodrama entitled "Curse You, Jack Dalton" was the first to be viewed by the audience. The setting was the mansion of wealthy Mrs. Dalton (Jeanne Hammes) at the turn of the century. Mrs. Dalton's son, Jack (Jim Schweiger), falls in love with the maid (Mary Lauson) who is involved with a crooked character, Egbert Van Horne (Steve Benedict). However, Jack rushes in at the crucial moment and saves the fair damsel from ruin. The play was presented under the capable direction of Miss Birkholz.

In a change of pace offering, Mr. Freeman and his cast members turned their talents to Thornton Wilder's "Pullman Car, Hiawatha." The members of the cast, some thirty students, were brought into sharp focus by the absence of conventional scenery and props. Pam Pick, as stage manager-actress, narrated this play which delved into the minds of several passengers (Carol Welch, Connie Devenport, Ruth Maschmeier) aboard the Hiawatha. Finally, the Archangel Gabriel (Dennis Rheingans) summoned one of the passengers (Meredith Brown). The production again was marked by superb individual performances.

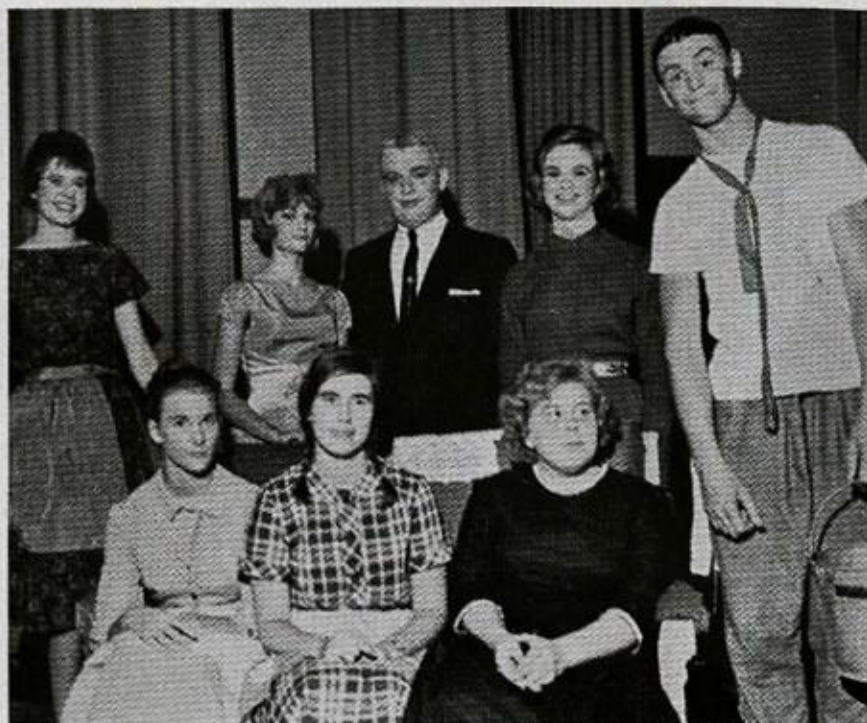

"The Playgoers", directed by Mr. Norland Benson, dispelled the serious mood with a touch of comedy. The master (Gerald Winninghoff) and mistress (Joanne Tennes) decide to reward their servants with a trip to the theater. However, they meet unforeseen difficulties. Two of the servants (Linda Baumann, Coralee Kohl) want an extra ticket for a friend, while another (Sandee Crabb) is so moved by the generosity of her employers that she can only cry. The only male employee (Tom Olson) is perturbed because he is not included as a regular servant. The difficulties build up to a grand climax in which all the servants quit. Some of the situations became hilariously farcical in their fine portrayal by cast members.

One of the many ingenious floats entered in the parade.

Once again it was Homecoming time at West Bend High, and the students looked forward to one of the biggest celebrations of the year. Weeks before the game, the homerooms started planning and building their floats. As we viewed the parade Thursday evening, we could see that the floats were worth all the effort, since the parade was bigger and better than ever before.

Gaining first place honors was Mrs. Smith's homeroom with their float, "Memorials for them Orioles." Copping second place was "It's Heaven Sent," an entry by Mr. Panfil's homeroom. The third place award was won by Mr. Kannal and his homeroom with their float, "They're Sentimental Over the Orioles." All the floats in the parade showed the spirit of the school backing our team to a victory.

Chosen to reign over the Homecoming festivities were Kathy Spaeth, freshman, Ann Gessert, sophomore, Gayle Mueller, junior, and Toni Beaumont, senior.

Realizing that Homecoming is celebrated for the purpose of welcoming alumni of West Bend High, the guests chosen to speak at the pep rally after the parade were Tony Spaeth and Attorney Tom Merriam, former graduates of our alma mater. Our principal, Mr. Schultz, and Student Senate president, Eric Skuldt, were also speakers.

Highlight of the evening was the crowning of Gayle Mueller, the junior candidate, as Homecoming queen of 1960. Ace Naumann, captain of the football team, had the honor of placing the crown on Gayle's brow.

Following the pep rally, Dan "Honey" Harter, Homecoming King, lit the bonfire to bring to an end the activities of that Thursday evening.

The following evening, the Badger spirit was clearly in evidence as an enthusiastic crowd cheered our Badger gridders on to 39-0 victory over the rival Hartford Orioles.

Following the football game was the annual Homecoming dance. Queen Gayle and King "Honey" led the Grand March,

followed by their court of honor consisting of Kathy Spaeth and Len Backus, Judy Mueller and Ace Naumann, Ann Gessert and Dave Clark, and Toni Beaumont and Rich Hess. Everyone appreciated the talents of Kathy Eklo and her decorating committee, for the high school gym had been converted into an autumn scene replete with leaves, corn shocks, pumpkins, and colored lights. The theme, "Folhas de Outono" (Autumn Leaves) was suggested by Neco Willrich.

As the final dance of the evening was played by the "Top Hatters," everyone agreed that it was truly a wonderful Homecoming weekend.

King Dan Harter had the privilege of lighting the bonfire.

Bali Ha'i Will Call You . . .

Bali Ha'i did call us and, as all of the 1960 Prom-goers know, we were enraptured by the lovely tropical island theme during the magic hours of our Junior Prom.

That spring evening, Bali Ha'i moved from the pages of "South Pacific," into our own gymnasium. Nothing was forgotten! Entering the gym, we saw a huge, dark-blue, snow-capped mountain, surrounded by palm trees. There were fish nets filled with their catch of multi-colored fish and tropical flowers. All was in keeping with the tropic theme. As we enjoyed our Prom, we couldn't help but notice all the time and hard work the Juniors and their chairman Kathy Eklo had devoted to Bali Ha'i. Mystic murals, surrounding both sides of the gym, a buddha, shells, tropical flowers, and even a fountain with running water completed the lovely vision of this island paradise.

In the corner, a tropical hut, designated by a sign, "Bali Ha'i's King and Queen," caught our eye. It was here that the climax of the prom occurred when Kathy Eklo and Bob Wegner were crowned king and queen. They started their reign by dancing to the soft strains of "Bali Ha'i".

As the evening sped quickly by, we left our magic island and lost ourselves in the transformed atmosphere of the YAC at the Post-Prom "Toyland." Here, fun, entertainment, and good food were the fare. The sophomores did a terrific job, and, before we knew it, our Junior Prom came to an end. Truly, the call of "Bali Ha'i" was an enchanting one.

Midwinter... Truly a "Wonderland by Night"

December 29, 1960 was truly a night to remember. It was the night of the eagerly anticipated, annual Mid-Winter Ball. At 9 p. m., the doors of the YAC opened to reveal a mystic "Wonderland by Night" scene. The entire evening was truly what the theme promised it would be.

As the couples proceeded into the YAC, which depicted the gay holiday spirit, they were confronted by an array of red and white streamers through which filtered the joyous holiday mood of all who attended. The illusion of a Winter Wonderland was created by beautifully enlarged ornaments which served as a background to numerous fragrant evergreens whose pungent odor permeated the air. Dancing to the music of the "Top Hatters," the couples could look up at a canopy of glittering stars which covered the ceiling and gave off a heavenly glow. Traditional holiday cookies and punch were also served throughout the evening. All of this and more concluded a wonderful evening which will be set aside in the hearts and minds of all who attended as one of their fondest memories.

The YAC Council, Mr. Allen, and Dinny Schultz, chairman of the dance committee, were responsible for this event which will long be remembered.

Ziegler Debate Awards were presented to Julie Simoneau and Steve Werner. The Pick Honor GAA Award went to Ann Meyer, while Bill King and John Klein shared the spotlight as co-winners of the Pick Athletic Award of Honor. For his outstanding achievements in the field of scientific study, Arnold Scheer became recipient of the Bausch and Lomb Science Award.

The DAR Good Citizenship Award was made to June Schultz. Nancy Frank and John Tollack received the American Legion Awards for being the most outstanding all-around girl and boy graduate of the year. In addition to the above award, Nancy Frank was presented with the Ziegler Foundation Scholarship as well as being lauded as class valedictorian. Cheerleaders Encourage Our School Spirit . . .

"A" Cheerleading Squad --- Sharon Quade, Sharon Frank, Diane Simons, Sue Bradley, Sandee Crabb, Joan Knoebel.

The cheerleaders help raise school spirit at one of our assemblies.

When the football team comes onto the field or the basketball players take the floor, they are greeted by a rousing cheer from the stands. Throughout the game, the spectators hopefully cheer our team on. It is up to the cheerleaders to lead this crowd in their various chants, cheers, and songs of victory. But, this is just one of the many duties of cheerleaders. They also work hard at planning skits and stunts for pep assemblies, changing and synchronizing cheers, and encouraging attendance at games. Peppy and enthusiastic cheerleaders, along with the huge crowds that back our teams, represent a force which binds the student body together --- school spirit. Truly, the position of being a cheerleader is not only important, but also an honor.

This year, the job was in the capable hands of "A" squad cheerleaders: Sandee Crabb, Sharon Frank, Joanie Knoebel, Sharon Quade, Diane Simons, and Sue Bradley.

Along with these girls, the "B" squad cheerleaders displayed some peppy cheering for the junior varsity. This squad consisted of: Kay Arkenberg, Ann Gonring, Kris Larson, Karen Laubenstein, Mary Lauson, Barb Leitheiser, Ann Monroe, Chris O'Meara, Dinny Schultz, Mary Weber, and Cherrie Ziegler.

Just before the basketball season, eight freshman girls were chosen to lead the cheers for the "C" squad. These girls were: Kitty Johnson, Kathy Kauth, Sandy Krieger, Pat Oelhafen, Kathleen Peterman, Kathy Spaeth, Mary Walter, and Eileen Wiedmeyer.

Miss Fogtman and Mrs. Justman also deserve much credit for their work with the cheerleading squads this year.

The 1960 football season was a very exciting one for the Badgers. With only nine lettermen returning, the team's pre-season prospects seemed very dismal, even though the team placed second in 1959. It is to the credit of our fine coaching staff, which includes Warren C. Bowlus (head coach), Jack Runkel (line coach), and Robert Strohacker (backfield coach), that the boys finished with a Little Ten record of 6-1, (overall 7-1) which again brought them 2nd place in the Little Ten standings.

The first indication that the Badgers gave to offset any pessimistic views about the team's chances was the 12-7 upset over Sheboygan South in the season opener.

When the scores for the first week of Little Ten action were recorded, West Bend found itself on the top of the heap. The contest the following week loomed as one of the crucial games of the season. It was against Beaver Dam, upset victor over last year's champs, Oconomowoc. West Bend again displayed its talent and power, plus the terrific drive and desire which characterized the play of the team all season, by rolling over Beaver Dam 36-6.

All "forecasters" predicted that the third week of action would decide the conference championship, for the two leading contenders, West Bend and Watertown, would clash. Watertown had an advantage in size and experience. The game between the two teams was hard fought and they were deadlocked at half-time. In the second half, the Goslings proved to have too many guns for our Badgers, and, as the game ended, won by a 40-20 margin. Watertown went on to cop the Little 10 championship.

The team bounced back the next week with a 25-7 victory over Berlin. Then, in

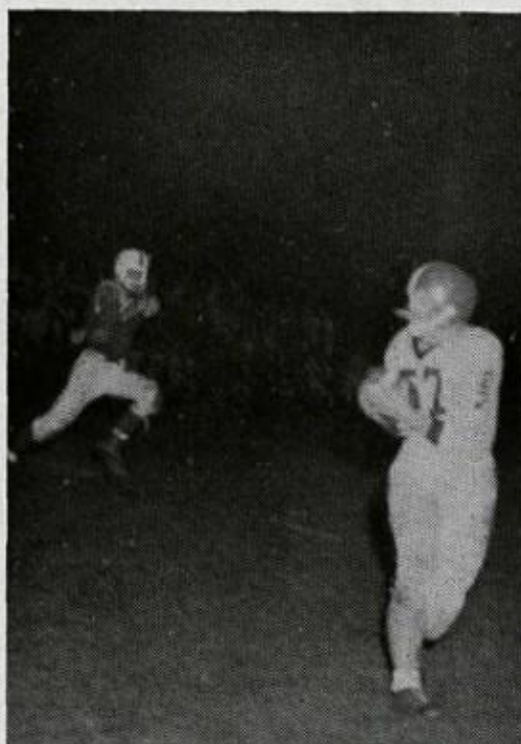

To Cheer Our Badgers On to Victory

quick succession, the Badger gridgers beat Mayville 20-6, and trounced arch-rival Hartford, 39-0. The last game of the year was against Cooney. Our team was out to avenge last year's defeat and won the exciting game by the slim margin of 6-0.

Statistic-wise, the Badgers racked up very impressive totals. For example, we scored an average of 3.75 touchdowns per game, whereas our opponents managed only 1.4. The same superiority held true in first downs: West Bend 14.5 per game, opponents 8.1 per game. The Badgers averaged over twice the opponent's rushing average, a total of 313 yards per game compared to 169 yards per game for the foes. The individual rushing average was 5 yards per carry. Paul Fisher had a 5.8 average in 25 carries; Ron Wolf, 4.19 in 89 carries; and Ron Kirkland, 4.8 in 103 carries. Ron Kirkland also caught 11 passes for 226 yards. Doug Potter led total offense with 844 yards, Ron Kirkland had 775 yards, Ace Naumann, Paul Fisher, and Roger Winninghoff also did very well for us on total offense. Ron Kirkland led scoring with 71 points.

Individuals cited for exceptional achievement were Roger Winninghoff, "best tackler"; Bob Ginocchio, "best blocker"; and Ron Kirkland, "most valuable player". Doug Potter was selected as the 1960 squad captain. Next year's edition of the team will miss the abilities of the following players who graduated this year: Dick Hess, Dave Heinecke, and Joe Kreis. Truly, our Badgers did a wonderful job this year.

Coach Rollo Taylor, in his second year at West Bend, guided the Badger cagers to an unusually fine overall record of 15 wins and 4 losses for one of the most successful years in basketball in the school's history.

The team was built around a nucleus of four returning lettermen: Doug Potter, Ronald Kirkland, Clarence Zimbrick, and John Metz. Steve Roecker, Bob Sauer, and Jeff Haebig ably filled the breach at the remaining starting position. The Badgers again used

the full-court press and the fast break to overcome their opponents' strengths and provided the fans with an exciting brand of basketball.

The team compiled a 12-2 conference record. Both conference losses were at the hands of Watertown, which copped Little Ten laurels. The Badgers finished in runner-up position.

The first non-conference game of the year saw the Badgers lose a one point decision to Sheboygan South, but the Badgers got their revenge the following week when they defeated Hartland Arrowhead by one point. Of all the 12 conference victories, the 67-51 victory over Mayville was the most rewarding and satisfying. This was Mayville's only defeat until beaten by State Champion Milwaukee Lincoln in the sectional finals.

Tournament play at Cedarburg saw West Bend defeat Port Washington and Cedarburg. However, in the Regional, the Badgers were unable to repeat their earlier victory over Mayville, and they ended the season on a somewhat sad note, despite their record.

Doug Potter was voted honorary captain, and he also shared the most valuable player honors with Clarence Zimbrick. Zimbrick was also named the most-improved player, and Jeff Haebig was voted the best newcomer on the varsity squad. Ron Kirkland, along with Potter and Zimbrick, finished among the top ten scorers in the conference.

Despite heavy losses to the varsity, Taylor has a number of promising underclassmen who will take over capably in the 1961-62 season.

Track . . . Champions of the Little Ten

Go! Doug! Go!

THE 1960 TRACK DISTANCE MEN

First row --- B. Gessert, B. Carpenter, J. Remillard, P. Kober, D. Patten, P. Henke, T. West, T. Schowalter, K. Willkomm, T. Randall, B. Naumann, B. Hoffman, R. Kraft.

When the Badger track team began its early spring workouts in the "dungeon," all signs pointed to a successful season ahead. Only a few of the mainstays from the 1959 team had graduated, and many of the returning underclassmen showed promise. There was great depth at every position, especially in the running events. As it turned out, all the optimistic predictions came true. West Bend enjoyed one of its most successful track seasons in 1960.

The thinclads started out with a bang by crushing Cedarburg in the opening meet, 76-39. Hurdler Doug Potter, sprinter Bill King, and distance man Tom Schowalter each copped two events. The next week, at the Madison West Relays, a West Bend sprint-medley relay team composed of John Kreilkamp, Bill King, Jim Fellenz, and Tom Schowalter placed fourth in competition against top rivals from both Illinois and Wisconsin.

After the Madison meet, the Badgers went on to win a dual meet with Fond du Lac, the Port-Hartford-West Bend triangular, and the Nicolet quadrangular. The high points of the year, however, were reached in the West Bend Invitational and Little Ten meets.

In the Invitational, which West Bend won by 23 points, Bill King shattered his own school record in the 220 with a 22.4 performance. In addition, miler Lyndon Rich, sprinter Paul Fisher, and quarter miler Charlie Kolich turned in their best times of the year. Two weeks later, the Badgers walked off with the Little Ten Conference championship. They won both relays, placed in every event, and ended up with 80 team points. Bill King again turned in an outstanding performance as he matched the Little Ten 220 record of 22.6 seconds. Miler Whitey Wagner, half-milers Tom Schowalter and Del Schneider, pole vaulter Curt Kissinger, sprinter Paul Fisher, and hurdler Doug Potter also contributed valuable points to the victory. Bill King and Curt Kissinger qualified for the State Meet in Milwaukee but failed to place in their events.

Prospects for the 1961 season are good with the return of such veterans as Del Schneider, Dave Charlton, Doug Potter, Ace Naumann, Paul Fisher, and Steve Sager. Nobody knows, too, how many "sleepers" Coaches Strohacker, Caldwell, and Schermacher will find among the aspirants.

The 1960 Badger cross country squad finished the season with a very fine record which was climaxed by the annexing of the Little Ten Championship. This was indeed gratifying, for in the three previous years, our harriers finished a frustrating second.

In dual meets, West Bend beat Hartford, Oconomowoc, Berlin and chalked two wins up against Beaver Dam. The only dual meet loss was suffered at the hands of Ripon.

In bigger meets they also did a very commendable job. They placed second in the Port Washington Invitational, ninth out of 22 schools entered in the Hartford Invitational, seventh in the Waukesha Invitational, and

finally a fine third in the Manitowoc Invitational.

On October 18th, the team traveled to neighboring Hartford for the Little Ten Championship meet. Here they captured top honors. Delbert Schneider, a junior, was the individual winner of the meet.

At the Sectional Meet, the team captured third-place honors and became eligible for the State Meet, where they placed eighth.

Returning lettermen are Bob Carpenter, Peter Kober, Tom Randall, Del Schneider, Ron Wagner, and Ken Willkomm.

Coach Cross and the team can be proud of a season just completed, and feel confident in facing next season.

Members of the team who copped the Little Ten Championship were: Front row --- T. Randall, B. Bodenbach, K. Willkomm, P. Kober; Back row --- D. Schneider, R. Wagner, D. Charlton, J. Metz.

Tennis . . . Another Record Performance

The West Bend High tennis team paid a fitting tribute to Coach Hildebrand in his last year of coaching by compiling a record of eight wins and only three losses in the 1960 season.

The team had much depth, poise, and experience in the persons of Steve Roecker, Claude Beck, and Mike Johnson, in the singles; and John Klein and Alan Becker in the doubles.

Mr. Hildebrand proudly looks at the many trophies former teams have won under his coaching.

West Bend came up with a fine second-place finish and a total of fifteen points to rank behind titlist Oconomowoc, which garnered seventeen points, in the Little Ten Conference meet held on our courts. Steve Roecker, West Bend's number one singles man, battled to the semi-finals as did the doubles team composed of John Klein and Alan Becker.

In post-conference play, the Badgers placed seventh at the W. I. A. A. Sectional Meet, held here, with a total of four points, not quite sufficient to qualify for the State Meet.

Greatly improved over last year (5-5 record), our Badger Seabees, under the guidance of Coaches Bowlus and Caldwell, finished with a 9-4 record, the best record since swimming was initiated as a varsity sport three years ago.

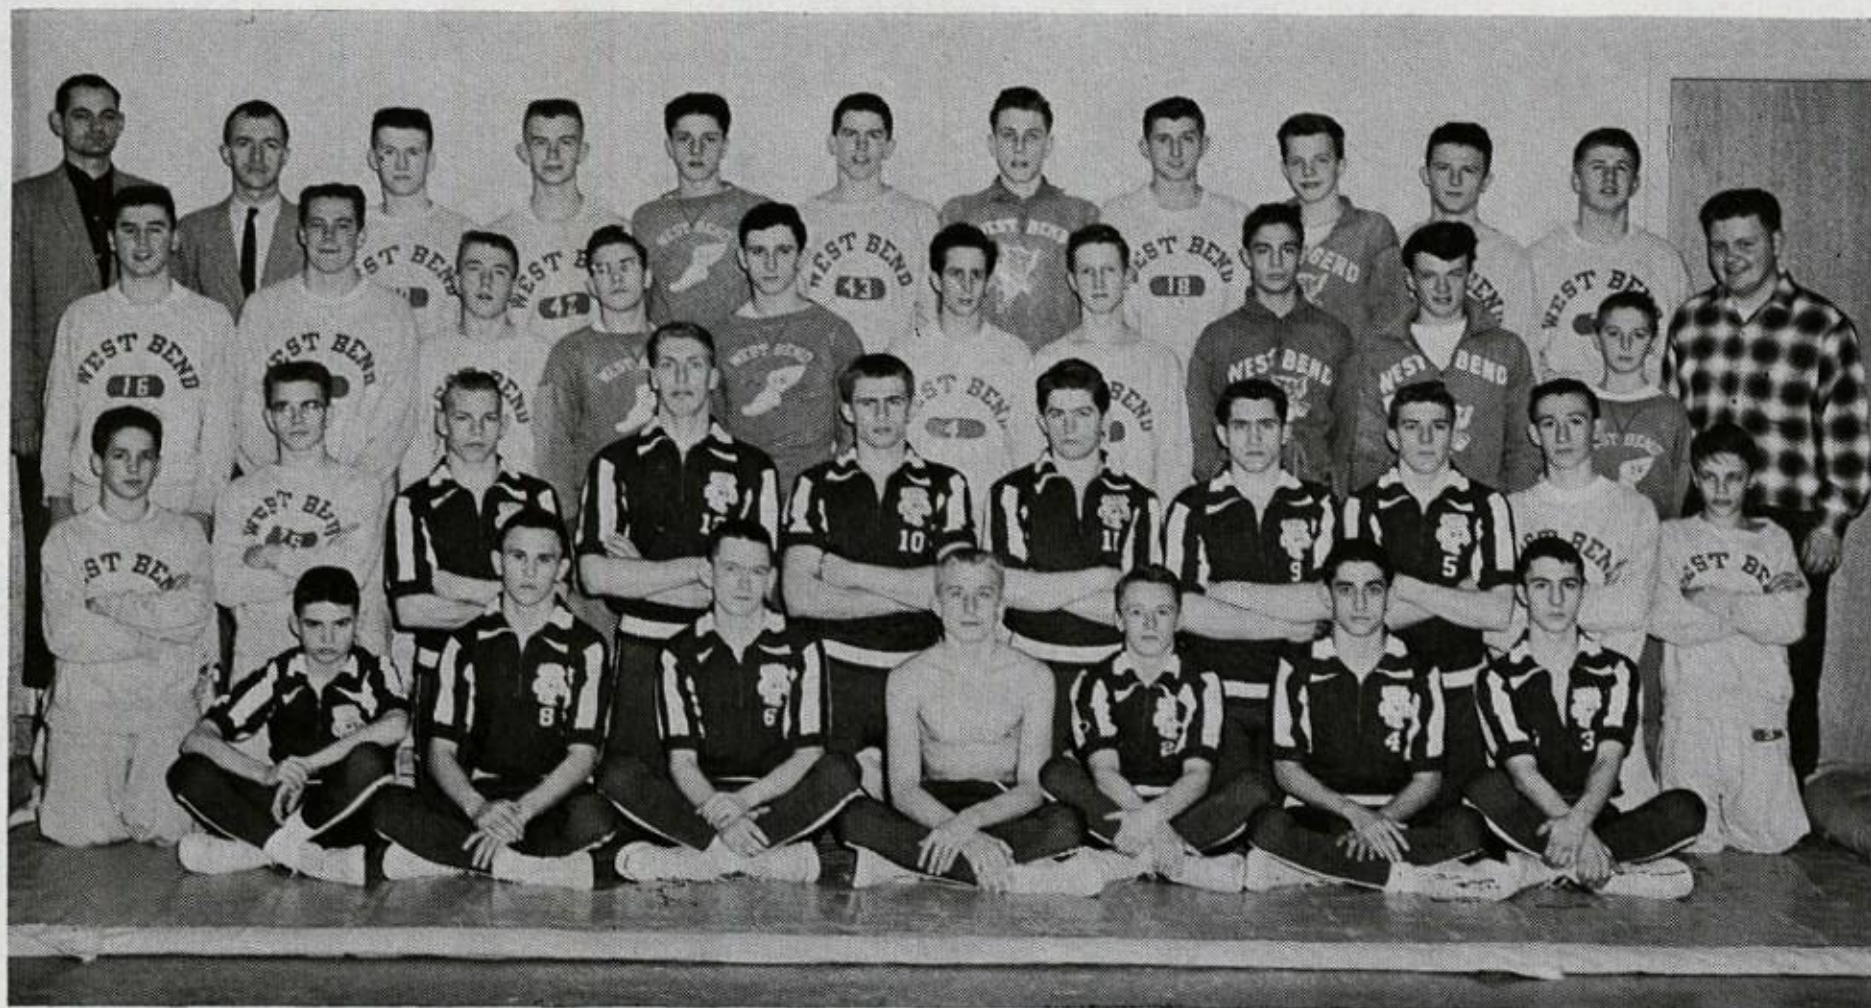

For the first time this year, the North Shore Invitational Meet was held at our school pool with seven teams participating. The Badger mermen finished second. In the Sectional Meet, our boys finished third among fourteen teams entered; and at the State Meet, they finished ninth out of thirty-four teams.

An outstanding performer this year was junior Jack Stoltz. In ten dual meets, Jack copped fifteen firsts. He holds the following school records: 200 yard free style, 400 yard free style, 100 yard butterfly, and the 200 yard individual. In addition he was on two relay teams which are record holders.

Another exceptional swimmer was Tom Olson, who broke the state record in the 100 yard breast stroke seven times during the season but who had bad luck at the sectionals by being disqualified.

The prospects look good for the future with eight letter winners returning, seven of whom have two years of eligibility left.

The third season of varsity mat competition came to a close with the team showing continual improvement throughout the season. In the Little Ten Conference, the team wound up with a 4-5 record, while in over-all competition our matmen compiled a 5-6 record.

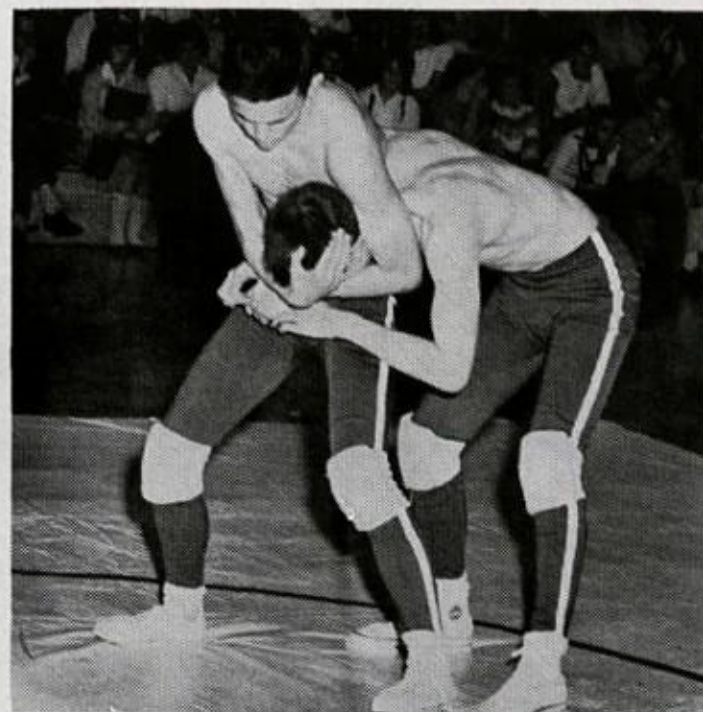

On February 11, the Regional Meet was held here in West Bend. Peter Kober, Charlie Kolich, Ron Wolf, and Dick Jaeger easily qualified in their respective divisions.

Then on February 18, these four boys traveled to Ripon for the Sectional Meet. Here Pete Kober and Dick Jaeger gained the right to go on to the State Meet.

At the State, which was held in Madison on the 25th of February, Peter Kober performed skillfully to cop third place laurels, while Dick Jaeger, due to an unfortunate illness, was not able to wrestle.

The lettermen who will be returning next year are: Dave Patten, Pete Kober, Bob Ginocchio, Jim Groth, Ron Wolf, Dick Jaeger, and Richard Backus.

This is the first mat team that can really be said to have had a veteran nucleus, and they can be proud of a season well-contested.

Too Much . . . Too Late

As the winter season slowly slipped away without the usual amount of snow, the West Bend High School ski team began to give up hope of entering competition. Then the snow fell abundantly, but too late for the skiers. The Badger ski team pictured above, consisted of: First row --- R. Sacia, N. Sacia, T. O'Meara, T. Guth; Second row --- B. Bodenbach, C. Second row --- Coach Weier, J. Weiss, D. Hammer, G. Wheeler, J. Metz, J. Garot, R. Backus, K. Troedel, T. Bauman.

The 1960 Badger linksmen, with a new coach, Mr. Weier, at the helm, started working out early in the season in the balcony of the gym. After the departure of the snow, the boys moved out to the local course, where they began practice on the fairways.

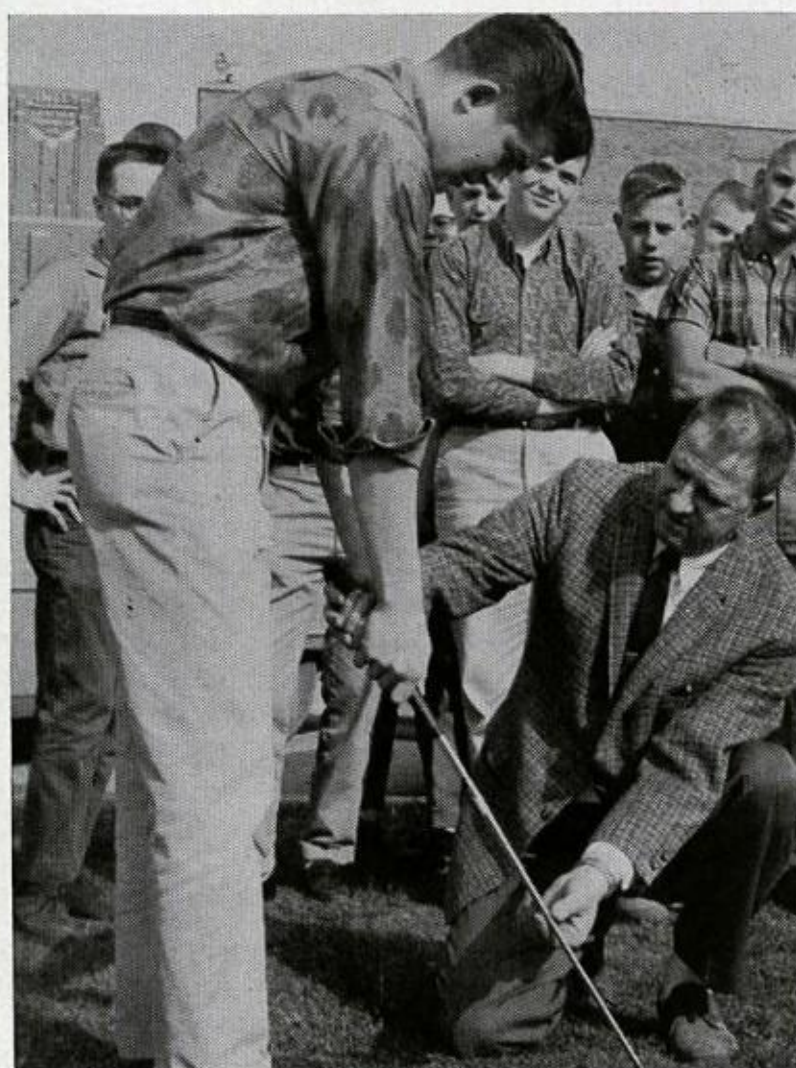

Because of an unusually wet spring, the team was only able to participate in three out of six scheduled Little Ten meets. In these three meets, they placed second once and fourth twice. In non-conference meets, West Bend won over Hartford and Horicon in dual meets and, in a very unusual quadrangular meet, was one of three schools tied for second. Also participating in this meet were Port Washington, Hartford, and Cedarburg.

The Little Ten Championship meet at Oconomowoc saw the host team take the title, while West Bend placed seventh out of the eleven teams participating. Medalist in this meet was Jim Lutz of Cooney, who shot a phenomenal 74 for 18 holes.

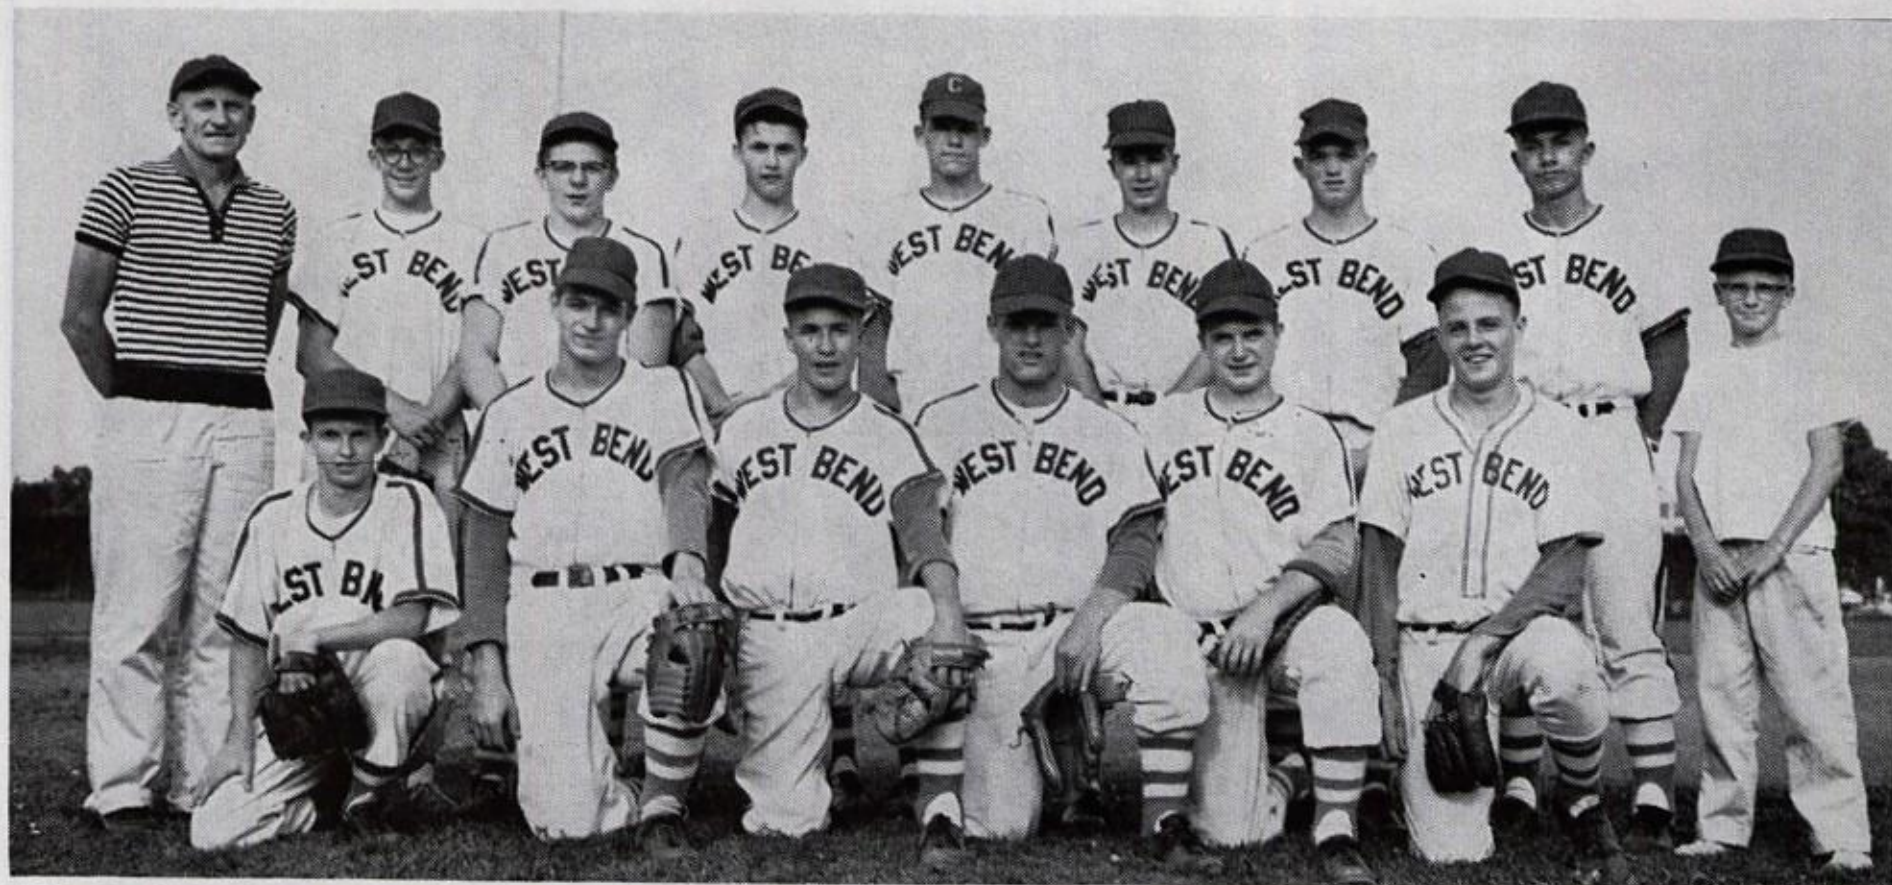

For the Sectional Meet, the boys traveled to neighboring Hartford. Here the squad did quite well, taking a fifth place in competition with some very rugged Milwaukee area entries.

In the 1961 season, Mr. Weier expects the squad to improve on their 1960 record. Coach Weier will have veterans Dick Backus (captain) and Dave Hammer returning, and he expects considerable help from Tom Bauman, John Metz, Woody Allen, and Frank Sprtel.

Mr. Weier gives Richard Backus some golf pointers.

Baseball Team Places First in New League

1960 Baseball Team --- *Front row* --- L. Lange, J. Klein, M. Gonring, B. King, J. Fellenz, B. Sackett, M. Kuss.

Back row --- Coach Kuss, W. Erickson, H. Brodzeller, J. Kaehny, R. Kirkland, P. Bradley, B. Spaeth, K. Hemauer.

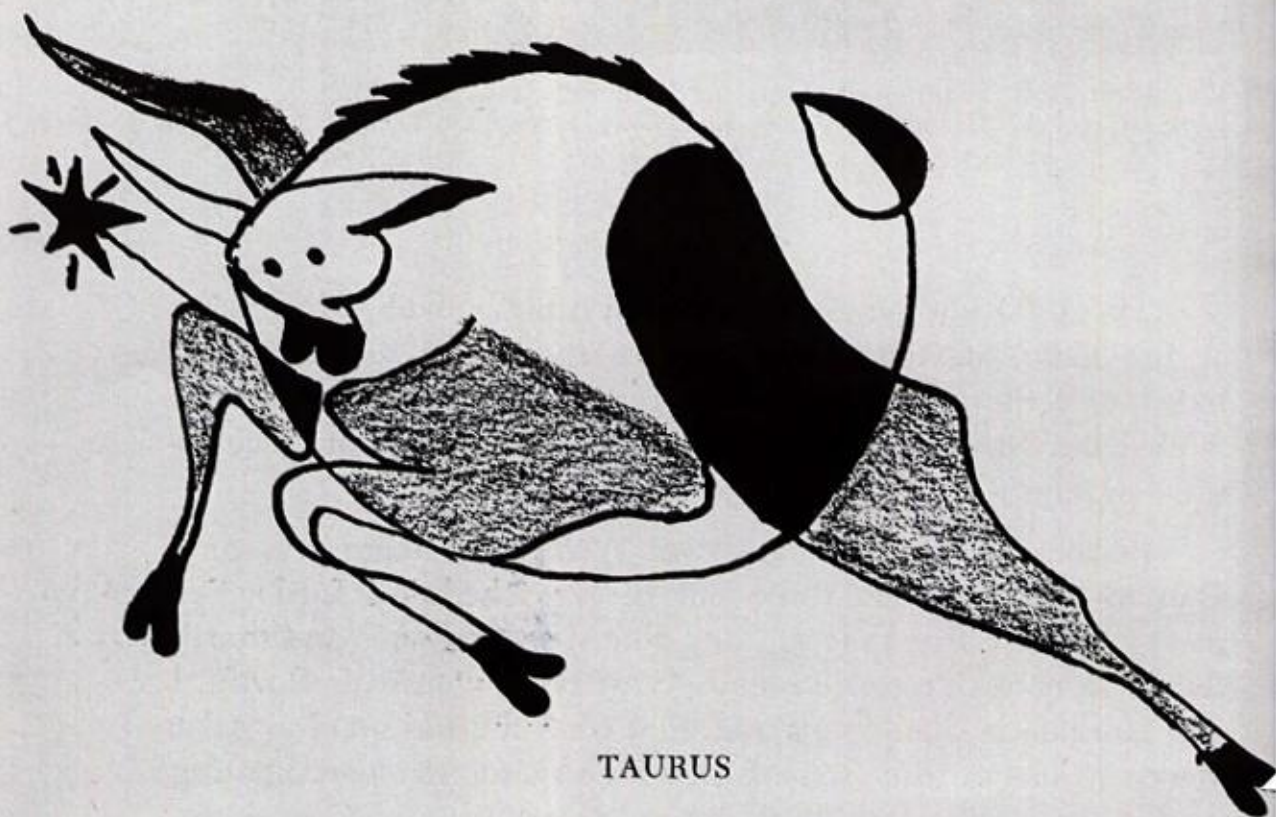

As spring rolled around, the WBHS varsity baseball team was faced with the prospect of joining a newly formed summer league. Other entries in this new league were from Cedarburg, Port Washington, Germantown, and Thiensville. The Badgers' debut was a highly successful one. They wound up on top of the heap with a 7-1 record.

Mr. Kuss did his usual fine job of coaching the team to an over-all record of 12 wins and 2 losses. Some of the players who shone at the plate and in the field were: John Klein, short stop (team captain); Bill King, pitcher; Ken Hemauer, third base and pitcher; Bill Sackett, catcher (selected as best hitter); Mark Gonring, pitcher and third base; Ron Kirkland, outfielder. In addition to the above boys, Harry Brodzeller, Wayne Erickson, and Jerry Fellenz were of value to the team and were also awarded major letters in this sport.

Rounding out an already interesting season, the Badgers went on to enter the Sheboygan Recreational Tournament, held late in August. Our team finished in second place among the 16 teams entered, having won three games in this tournament and losing only one.

Opposite page --- The 1961 Bend is proud to honor six boys who have excelled as athletes throughout the year. Because so many of our boys contributed to our victories, the coaches had a difficult time trying to limit

themselves to six. However, they finally selected the following stars:
